Concerns of 2017:

True double elimination tournaments

Play in Games – highest seed or host location

No rule changes for bats in 2019

Jay will be supervising league tournaments and will have a host meeting in June. Executive Committee will consider any proposals

Matrix no change for this year. There is a team movement change. You can apply before the season starts to move you entire league down a classification. Your teams are eligible for post season. If you only move down individual teams those teams are not eligible for post season. The league is trying to stop movement after the season starts

Communication Protocol is the same – parents to coach's, coach's to league reps, and league reps to the District

State Tournament will be 8 team double elimination. The Valley will have 2 teams at each level.

Minor National, Minor American, Minor Federal, Junior National and Junior American State Tournament will be July 12-14/2019

Junior Federal, Senior National, Senior American and Senior Federal State Tournaments will be July 19-21/2019

The District tournaments will be one week prior to the State Tournaments.

There must be a representative from each association present at the scheduling meeting.

ROTB will be held on March 17, 2019 at the North Marion Middle School, Tournament hosts can have a table.
