

Welcome to the 2012-13 volleyball season! We are excited to have you with us, and we thank you for your patronage. Here are a few guidelines to help us all have a safe, fun experience:

** No food or drinks permitted at any time on the courts. WATER ONLY, please.

** Absolutely no alcohol, drugs, or tobacco permitted at any time in the facility, to include the parking area.

** Please be courteous of those around you. This is a family-friendly facility. As such, please refrain from using profanity.

** On the court: Respect the referee's calls. Let the coach handle any questionable calls. There is zero-tolerance policy regarding this. Violation will result in the offending team losing the serve.

** Conflict resolution: In the event of a dispute/ complaint, parents must attempt to resolve the issue by encouraging the player to talk to the coach about her concerns. If there is no resolution: request to meet with the coach. Parents and players are not to speak to coaches during a practice or game about a dispute.

** All members must immediately report serious incidents such as injuries, unfair treatment, harassment and discrimination to the Director immediately.

** No parent is allowed onto the playing surface during practice or a game. Coaching your child from the sidelines will be considered a disruption to the team and the performance of the athlete.
