

04 May 22 ProScapes vs Corple Corral

The Game Report for the second contest of the day, also provided by John Thompson (many thanks, John), tells of a battle that had several lead-changes and a walk-off victory. See below:

The second game of the double header, game conditions improved with the sun beaming, and a fresh Corple Corral team appearing eager to avenge their loss the previous week. Being the visiting team CC managed to score 2 runs in the first inning while Proscapes scored 1 run. In the second inning CC scored the maximum of 5 runs with a number of hits including Mills, Calverley, Mckinney ((double), Killer, Conley, Peck, and Wendt. Proscapes answered with only 1 run. The next 2 innings were scoreless with both sides making some outstanding defensive plays. Back to back plays by Conley at SS to Calverley at first with some flashy glove work by the Mick for CC, and a great running catch by Smiley playing short left field for Proscapes. The score at the end of 4 innings, CC7 Proscapes 2.

The 5th inning was a flip flop with Proscapes needing at least 5 runs to tie CC, and they scored 7 with timely hitting by Dick, Smiley, Caruso, Wilson, Ford, Brewer, McKie, Kuhfus, Luzier, and Wallace. Not to be denied, Corple Corral scored the 3 that they needed to win with hits by Peck, Harnley, Bennett, a home run by George Wendt over the head of McKie in left field, and the clutch single by Mark Mills to win the game.
