

MISSION STATEMENT

The mission of Shawnee County Parks & Recreation is to provide quality parks, golf courses and recreational facilities and opportunities to meet the recreational needs and interests of rural and urban residents throughout Shawnee County.

Shawnee County Parks & Recreation does not discriminate against any person on the basis of race, color, sex, national origin, age, or handicap in the operation of any programs, activity, or facility.

SPORTSMANSHIP EMPHASIS

Shawnee County Parks & Recreation Sports revised and updated their existing Youth Sports Guidelines to address many issues facing the sports environment today. We began to stress a safe and quality sports environment for everyone involved by screening and credentialing volunteers, coaches and officials. We will continue to improve by having professional staff, invite parents to meetings, encourage feedback from participants and anyone participating in any venue will be held accountable and respect the sports environment. SCPR will put forth our best effort to make programs and facilities safe and enjoyable.

We are proud to cooperate with local organizations and offer the public a positive sports environment meeting our mission. Serving the public in a viable manner promotes the development and growth of quality sports especially for youth. Our goal is for everyone to understand that disruptive behavior will not be tolerated. Help us educate and create the ideal sports environment for everyone.

Each coach is responsible to get information and forms to participants, parents, fans and other interested parties. When registering as an individual or team in any of our sports leagues, clinics or visit our facilities and parklands you should respect the game, opponents, officials, facilities and fans. SCPR will not tolerate excuses for lack of rule or code knowledge. By your individual or team participation you agree to abide by County Code and all rules contained herein.

TOPEKA PREMIER UMPIRE ASSOCIATION

Shawnee County Parks & Recreation contracts officials/umpires through the local organization known as Topeka Premier Umpire Association. They are required to be certified, attend trainings and workshops for each sport annually, and respect the game as well as participants and facilities. We work diligently with the officials to create a positive sports environment no matter what the sport or location in which it is played. The officials of all sports are evaluated and held accountable for their actions on and off the court. Unsportsmanlike behavior or contact by officials will not be tolerated and they will be held to the same expectations as players.

FLAGRANT & UNSPORTSMANLIKE CONDUCT

Any foul or abusive language, gestures, fighting, or disruptive behavior directed at or performed by a participant, opponent, official/umpire, scorekeeper, spectator, facility, and/or SCPR staff may result in the immediate ejection and/or suspension of the person(s) in question. This will include not abiding by guidelines or County Code set forth. Continued behavior will result in the game being forfeited. The official's decision in this matter is not protestable. Managers/coaches and parents are reminded that they are responsible to control their players' and spectators' actions, before, during and after participation in any SCPR sponsored program on or off County property.

Any person ejected from a game shall leave the FACILITY immediately (90 seconds), NO SIGHT/NO SOUND, failure to do so will result in the game being forfeited by the offending team. Any ejected person is suspended from all SCPR activities and facilities for a minimum of two (2) additional games/matches. A second ejection in any sport within a year results in a one (1) year suspension and the team will be placed on probation for the same amount of time. If a player is ejected from the game, the game clock will continue to run.

Only DESIGNATED captains, coaches, managers may address officials or staff in a respectable manner prior, during, or after the game [each team shall have only two (2) designated per game]. Anyone else will be ignored once the game begins. This includes any rule interpretations, game calls or actions, special requests and/or questions. SCPR staff may eject offending parties as well.

Unsportsmanlike conduct may include tactics employed or designed to delay or make a mockery of any game or team. In any case the person involved and the coach/manager face possible ejection/probation.

SUSPENSION

Any person ejected from a game shall leave the FACILITY immediately (90 seconds), NO SIGHT/NO SOUND, failure to do so will result in the game being forfeited by the offending team. Any ejected person is suspended from all SCPR activities and facilities for a minimum of two (2) additional games/matches. A second ejection in any sport within a year results in a one (1) year suspension and the team will be placed on probation for the same amount of time. If a player is ejected from the game, the game clock will continue to run.

Failure to leave may result in the player(s) or team being suspended from further participation and charges being filed with the authorities. Individual league rules further dictate penalties.

PROBATION

Any person, players, or team ejected from a game for flagrant or unsportsmanlike conduct will be immediately placed on probation for the remainder of the season. Each individual and/or guardian or parents will be notified within 48 hours of the pending result via written and verbal communication. Shawnee County Parks and Recreation reserves the right to remove any individual or team from the league for such conduct or use other disciplinary action as deemed necessary. Any future problem caused by a player or team on probation will result in that player or team's status being reviewed as to further participation in league play. REFUNDS WILL NOT BE ISSUED FOR DISCIPLINARY ACTIONS.

PARTICIPANT CONTACT

If it is determined that any participant/coach is deliberate in their actions such as inflicting harm, threatening words or action, striking or hitting someone (even if the opponent initiates), deterring any official or SCPR staff from their assigned duties or any actions deemed inappropriate will result in an immediate ejection and one year suspension from SCPR programs and facilities.

PARTICIPANT RIGHTS

A player has the right to file a protest within 24 hours with the athletic office. Those choosing to do so shall stop by the athletic office and fill out the proper paperwork. Once the protest is complete and submitted to the athletic staff a hearing will be scheduled within 10 business days. The Sports Supervisor will appoint a three (3) member board who will hear all issues at hand and determine the outcome. Once the decision has been made, the player and coach/manager will both be notified. During this time, the player remains expelled from programs and facilities.

A lifetime suspended player/team may apply for reinstatement in the same matter as stated above. After a hearing is completed and if the board decides that the player/team is reinstated then it will occur at the start of the next season but the player/team will remain on lifetime probation. Any further disciplinary action will result in the immediate revocation of eligibility and implementation of the lifetime suspension. No two (2) members suspended from the same team and on probation may play on the same team once reinstated to SCPR programs and facilities.

PROTEST

A protest must be handled in the following manner or they will not be accepted:

The area should be clean prior to resuming play by staff and/or officials. Once the bleeding stops or a change of uniform is provided the participant may resume play.
