8. To prohibit non-rostered players from participating under an assumed name; all players must carry a picture I.D./Driver's License to all games, and present it upon request. League Rules:

1. Ball size - Size 5.
2. 6v6 - includes the goalie. Minimum number of players is 2 less than the maximum.
3. All teams must have a uniform with the same color shirt – must bring a dark/light color uniform/shirt.
4. Shin guards must be worn. 1 warning then blue card given.
5. No Eyeglasses are allowed, only sport goggles. No earrings, necklaces etc.
6. Games are 45-minute running clock, no halftime.
7. Out of bounds is when it crosses the lines on the large turf field. On the boarded field it is when it touches the net above the boards or the ceiling. The ball is to be placed where it last left the field. If kicked directly out of bounds from inside the penalty area the ball will be placed at the top of the circle for both fields. A ball cleared in play from the penalty area will be placed where it last left the field for both fields. When the ball hits the

ceiling net it will be placed on one of the three lines closest to where it touched the ceiling net. Goal kicks are taken from anywhere inside the box in front of the goal. Corner kicks on the boarded field are taken from the printed circle if using the boards and from the corner if using the lines on either field.

8. Fouls are the same as FIFA rules for soccer. Exceptions are no slide tackling allowed. Fouls and all free kicks/restarts the boarded field are all direct free kicks. Fouls and corners are direct kick while kick-ins are indirect. If a foul occurs on either field in the penalty area it would result in a direct penalty shot. If a goalie handles a pass back from his own team or the goalie dribbles the ball from inside the goal box to outside the goal box then back inside and handles the ball, it up will result in a free kick at the top of the arc.
9. Blue Cards. A blue card is given for dangerous tackles or challenges. This means any slide tackle. Dissent. Repeated offenses. Intentional hand ball. Intentional holding. The blue card penalty is for two minutes unless the opposing team scores. If both teams have players in the box with penalties and one team scores the other team DOES NOT get to add a player as they were playing even at the time.
10. Red Cards: Automatic Ejection. A third blue card in one game is an automatic red card. Intentional handling of a ball on the goal line. Intentional break away penalty. Instigating a fight or fighting. Dangerous challenges. A red card is a 5-minute penalty and must be served in full. The player is disqualified from the rest of the game and the next game as well. The player must leave the field with Sportsplex Staff.
11. On all corner kicks, free kicks and kick ins the defense needs to yield the 9 feet immediately and to not encroach on the space. The referee nor the team taking the kick do not have to ask for that distance. The penalty on defensive player is a 2 minute blue card on infringement. All kicks must be played within 5 seconds or the ball goes to the opposing team.
12. The 3-line rule applies - a goalie can throw the ball 3 lines. No punting allowed.
13. On the boarded field players must substitute using the bench doors. No jumping over the wall. The incoming player must wait until the outgoing player has reached the bench area before participating in the play. If the incoming player participates prior, there is a 2-minute penalty for too many players on the field. On the large field, the incoming player must substitute at the same place on the out of bounds as the outgoing player leaves. A player cannot just leave on the offensive end while another player subs in further down the field. Such a substitution is illegal and will result in a 2-minute blue card penalty.
14. Forfeits: The time clock will start at the designated game time; one goal will be given to the team that has the correct number of players. After 5 minutes another goal will be given, again at 10 minutes. After 15 minutes, the forfeit will be declared. At that time, a friendly game can be played with players that are there.
