The Concept of a Kingdom Man

“The biblical concept of dominion, or rule, is neither a dictatorship nor a posture of domination.”

Discussion Questions:
1. Dr. Evans talks about the effect of fatherlessness on society and how society’s problems are not just society’s problems. How has fatherlessness affected you personally?
2. Dr. Evans refers to having a little bit of a definition of manhood over here or over there and trying to fill in those missing parts with our own words, thoughts and understanding. What ways can you or are you applying all of the content of God’s word to define manhood?
3. Why is it important for a man to be responsible for his God given realm of influence?
4. In what ways have you recently displayed the kingdom man motto “I got it”?
