Welcome 2021 12U Softball State Participants!

Madison County Recreation Department is excited to host this tournament for you. We hope you enjoy our facilities and your stay.

All of your games will be played on either Field 4 or 5, which are at the bottom of the park and to the left. Other facilities you may want to use are the batting cages located at the bottom of the park to the right, a track and football field, or even the newly added Splash Pad. We will also have concessions for all games available to you.

We do know that this is state and will be highly competitive, but we ask that all coaches, fans and participants promote the highest level of sportsmanship and respect. If you have any questions or concerns, staff is always available to answer those. Ultimately we want the girls to have the best experience possible while playing at our facilities and remember that this is about them.

Please remember to attend the pre-tournament coaches meeting 1 hour before your first game. This will be held at Pavilion 3, near the fields.

If you have any questions or concerns, please feel free to contact us.
