

PEBBLECREEK SENIOR SOFTBALL ASSOCIATION
(Updated Sept. 28, 2021)

POLICY STATEMENT #5

SUBJECT: PLAYER REGISTRATION GUIDELINES

As more people who want to play softball have moved into PebbleCreek, the PCSSA has expanded the number of teams formed to accommodate the increasing numbers of players registered. The PCSSA wants to continue to provide the opportunity to play softball for players of all ability levels in PebbleCreek. At the same time, the PCSSA plays on only one field. Accordingly, the PCSSA adopted the following policy:

1. As has been done in the past years, registration for returning and new players will occur during the summer. The Board will decide the number of teams to be formed for the year based on the number of registering players. Anyone missing the registration deadline will be placed on a wait list. The Board reserves the right to reopen registration under compelling circumstances in order to fulfill team requirements. A player draft will be conducted in September each year.
2. Registered players are not guaranteed assignment to a team. In the event the number of players registering for the season does not provide an even number to be distributed to each team, based on the Board approved number of allotted teams, some players may not be drafted. Any undrafted players will be placed on the substitute list for the season.
3. Draft rules are approved by the board and may be changed as needed from season to season. Current Season's Draft rules will be given to all managers prior to the draft.

Approved by the Board

Derry Davison
President
PCSSA
