The 7<sup>th</sup> grade boys bracket has 7 teams; each team will play 4 games against other teams within the pool. After pool play is complete the 1<sup>st</sup> and 2<sup>nd</sup> place teams will be based on best \*win lose record after all games have been played.

\*If there is a tie between one or more teams the winners will be determined first by head to head match-up then by points allowed during pool play and if needed by most points scored during pool play.
