

Spring 2024 Season

### Adult Sports Ejection/Suspension List

#### EJECTED PLAYER PENALTY AND SUSPENSIONS

Any person (spectator, player, or team supporter) that is ejected from a game by an umpire/official and/or Site Supervisor will serve a minimum one week suspension from ALL City of Chandler leagues (softball, kickball, volleyball, basketball, flag football, or if the suspended player plays on multiple teams) until the suspension is completed. This is in addition to probation for the remainder of the season for all leagues in which the suspended player participates in.

If a team has two or more ejections over the course of a season for that league, that team will be put on probation or may be dismissed from all leagues indefinitely.

If a player is ejected twice over the course of one season of any league, that player will be removed from all leagues for the remainder of the season or may be dismissed from all City of Chandler leagues indefinitely.

Any suspended player will not be allowed on-site during City of Chandler Adult Sports league play for the entirety of his/her suspension.

Any person ejected from a game must leave the park immediately. Refusing to leave the premises is considered trespassing. Any person refusing to immediately leave the park will have suspension extended and police will be called.
