League Rules and Conditions of Play

The current Southern California Municipal Athletic Federation Basketball Rule Book shall govern play in all leagues, with certain exceptions noted herein. Each team member is held responsible for knowledge of league rules, and of the SCMAF Basketball Rule Book.

II. ELIGIBILITY

- A. To be eligible, each player must sign the official roster for their team. Players whose names, signatures, etc. do not appear on the official team roster are considered ineligible. Lineups and rosters are checked periodically throughout the season. Players must sign their own signatures on roster.
- B. A player may be on the roster for only one team per division (teams that play each other). If a player's name appears on more than one roster in a league, they shall be committed to the first team for which they play a league game. **Penalty:** If a player signs the roster for more than one team in any given division, the second team they play for may forfeit all games in which said player participates.
- C. **SUBSTITUTES** – If a team is shorthanded (three players) they may use a substitute player from another team in their division, as long as that player is a legally rostered player within the division. The substitute player must be indicated on the official score sheet with an asterisk. **If a legal rostered player shows up, the player must come out of the game. A substitute for any team is limited to 1 per game. Sports will be checking the score sheets and verifying substitutes are eligible. Penalty: See "D" below.**
- D. A team found to be playing suspended, illegal, ineligible, or non-rostered players, may forfeit all games in which said player(s) participate.
- E. Sports may charge the offending team with two losses for each game. Players and managers in violation of this rule will be suspended from participation in the CRPD Sports program.
- F. High school students currently engaged in inter-school and/or community athletic association competition are ineligible to play on any team. However, they may be placed on the roster provided they do not play until inter-school competition has terminated. The manager is responsible to notify the League Director when signing students who are temporarily ineligible to play.
- G. Player must use their name when playing. A player found to be playing under an assumed name is considered ineligible. **Penalty:** See "D" above.
- H. Players in all leagues must be 16 years old. A minor under 18 years is an ineligible player unless a assigned Parent Authorization form is on file with Sports and player's signature is on team roster. New parent authorization form is required each season.
- I. Active professional basketball players are ineligible to play on any CRPD basketball team.

- J. Individuals on CRPD Sports ineligible list due to non-payment of fees or pending CVSAC Board of Conduct, are not eligible to participate in any CRPD Sports programs.

III. **ADDING PLAYERS**

- A. Players may be added after the first league game to a team's roster. Manager must submit a Request for Roster Change form.
- B. The form must be submitted prior to 5:00pm the day of game for player's participation. All roster changes are subject to approval by the League Director.
- C. A player may be added to the roster if there are empty spots available. If a team's roster is full, a player must be removed for a new player to be added. The replaced player is ineligible for the remainder of the season.
- D. Players may not be added to a roster after eight games have been played.

IV. **FORFEITS**

- A. A team not having four eligible players present in legal uniforms ready to play at the scheduled starting time is charged with a forfeit.
- B. The team charged with the forfeit is liable for payment of both officials' fees. If the fees are not paid at the game site, the amount owed is charged from the team's credit card listed on the application.
- C. If a double forfeit occurs, both teams receive a full game loss in the standings and pay \$40 each.
- D. Following a declared forfeit, the teams may play an exhibition game by picking up players. Such games must end at least 10 minutes before the scheduled starting time for the next game. The assigned officials do not officiate the practice game.
- E. Teams forfeiting two (2) games may be dropped from the league. That team may not be allowed to participate in the next CRPD Adult Basketball League. However, the team may be reinstated at the discretion of the League Director.

All games must be played as scheduled. A team may avoid being charged the forfeit fee if it gives the League Director at least seven days' notice that it cannot make a game. However, the game is still ruled a forfeit; it is not rescheduled.

V. **PROTESTS**

- A. Protests are not received or considered if they are based solely on a decision involving the accuracy of the official's judgement.
- B. Protests are not received or considered if they are based on official's interpretation of Federation Rules.
- C. In a protest involving eligibility of player(s), once a formal protest has been lodged by a manager against a player or players, the player(s) in question sign the scorebook as their signature appears on the roster and includes their address and telephone number. Some valid form of identification, such as a driver's license, must be shown to the referee.
- D. All protests must be filed in writing on an Official Protest form by 5:00pm the next business day at Sports 403 West Hillcrest Drive, Thousand Oaks.

- C. Any individual ejected from the game must leave park property. The referee may forfeit the game if any individual fails to comply with league rules, before, during, and after the game.
