EMERGENCY PHONE NUMBERS

Your job as a coach is to provide immediate assistance to the injured athlete(s) based on your limited training and to summon qualified help to treat the injured athlete(s). In order to do this as quickly as possible, the emergency phone numbers must be in a very visible spot for everyone to see. The easiest way to post these phone numbers is to write them on a 3 x 5 index card, and tape it to your first aid kit. If you are out on the field with an injured player and someone else has to make the call and direct them to the ball field, the card will be there as a guide.

MISSION STATEMENT

Mission Statement: Denison Girls Softball is committed to enhance the quality of life for its participants by providing; promoting, facilitating safe, positive, and developmental softball opportunities organized by responsible and certified youth sports administrators.

It is our mission to teach the basic skills of softball where all children get an equal chance to play regardless of skill level and DGS provides a softball environment that does not tolerate any abusive behaviors that might jeopardize a child's well-being.

GSB POLICY STATEMENT

The Denison Girls Softball Program is sponsored by the Denison Parks & Recreation Department. Community team sponsors, fundraisers, and registration fees help to offset the operation expenses of the program. Every girl between the ages of four (3) and eighteen (18) years of age, and boys (3) three and (4) four are eligible to participate in the program.

It is the policy of Denison Girls Softball and Dixie Softball, Inc. to promote the development of strong character, a right attitude, and a strong sense of responsibility and citizenship in youngsters, using the game of softball as a vehicle.

DGSA is a developmental program that provides a softball foundation for its participants. This developmental program shall periodically provide softball “fun shops” for its participants to learn the basic fundamentals of softball and shall continue to provide opportunity to enhance their skills as they advance to the next age division/level.

In order to provide the “best” for the girls of our program, DGSA will provide in-depth training for it’s volunteer coaches. DGSA and DISD have joined hands in the goal of equipping our coaches with the knowledge of the rules and the basic techniques of teaching the most basic of softball skills. We shall also provide our coaches the opportunity to learn how to give clear explanations, provide instruction based on the level of the participant, and provide safe and fun softball atmosphere.

We fully understand that each participant views success differently. However, we shall provide opportunity for each player to participate in every game, expose each to the fundamentals of softball, to socialize with their peers, and enjoy old friends and make new friends.

Our Girls Softball Program operates under the Dixie Softball, Inc Organization. Dixie is a softball program that is geared toward participation not perfection, local league not select/travel ball, yet offers District, State, and World Series Tournament for ages 7 years old through 18 years of age for those who want to compete on a higher level.

Our vision is for the Denison Girls Softball Program to provide the foundation for our participants to further their softball pursuits at whatever level they choose. Please join us in providing “**lifetime softball memories**” for each of our participants.

Motto: “Softball as it should be...for the fun of it”

Team Selection Regulations

All players will be put into an annual draft and will be selected to a team. A pitcher/catcher clinic will also be provided for those interested. Any player that does not attend tryout will still be selected to a team.

1. Sisters may be drafted together (other relatives not included). Consideration shall be given to other relatives living in the same household as long as “proof of residence” is provided.
2. Head coaches may protect his/her daughter, and select assistants prior to the draft. Assistant coaches daughters will be placed on the team prior to the draft. **ALL ASSISTANTS CAN BE SELECTED PRIOR TO THE DRAFT. When selecting assistant coaches a team can have no more than (1) one pitcher and (1) catcher.**
3. Players may not be switched by coaches from one roster to another. Players may be moved to another team if there are extenuating circumstances as determined by League Administrators. The decision is based on what is in the best interest of the participant. The following procedure must be followed.
 1. Parent shall submit a letter of request to the GSB conduct official no later than one (1) week prior to team selection.
 2. A parent may request only one (1) coach to be ineligible, and each request will be evaluated on an individual basis.
 3. Approval of request protects a child through leagues season and tournament play.
4. The head coach of each team is required to attend all clinics and the draft.
5. A coach is required to contact the players within 24 hours of team selection. Remember these players are anxiously waiting.
6. A coach is required to practice his/her team a minimum of two (2) times a week until the league begins and should continue to have practices when time allows.

7. DRAFT PROCESS

For ALL age divisions: Head coach and assistants kids will be given to you prior to the start of the draft. We will draw numbers to see what order we will draft. Before the draft can begin teams must be even. *(example if team A has 3 players and team B has 4 player team A will select one player to make the teams even)*

All drafts will be done in the ladder draft format. (1,2,3,4, 4,3,2,1)

ONLY HEAD COACHES WILL BE ALLOWED UPSTAIRS FOR THE DRAFT

Lil'Rookies: After teams have an even number of players, they will be divided into groups Boys age 3 and Boys age 4/Girls age 3 and Girls age 4. This is done to keep teams as even as possible. We will select BOY/GIRL 3 year old first, and then BOY/GIRL 4 year olds.

In the end each team should have 10-11 players. There is the possibility of having up to 12 players per team, but we will not go past 12 per team.

Sweetees: After teams have an even number of players, they will be divided into age groups Girls age 5/Girls age 6. This is done to keep teams as even as possible. We will select 5 year olds and then 6 year olds.

In the end, each team should have 11-12 players. There is the possibility of having up to 12 players, but we will not go past 12 per team.

Darlings/Angels/Ponytails/Belles: After the draft is complete you will have 5 minutes to talk with you assistants about the tryout.

We will select numbers for the PITCHER/CATCHER draft. Teams that start with a pitcher will NOT be able to select a pitcher in the draft. Teams that start with a catcher will NOT be able to select a catcher in the draft. Teams eligible to select in the pitcher/catcher draft will get ONE selection. Pitchers/catchers that are not selected will go into the regular draft.

We will draw numbers a 2nd time to select the order teams will draft in the regular draft. Teams will be made even before the regular draft begins.

(example: if Team A starts with a pitcher, and catcher Team B has an infielder, and no pitcher/catcher. After the pitcher/catcher draft team B will have 1 more player than team A. So team A would get a selection to make the teams even.)

All forms will be face up, and have a number on them. It is your responsibility to know if the girls attended the try-out.

DPARD staff will NOT give you information on the player's ability, or tell you if they attended the try-out.

THE OBJECTIVE IS TO KEEP TEAMS AS EVEN AS POSSIBLE SO THEY CAN ALL BE COMPETITIVE. SO KEEP THIS IN MIND WHEN SELECTING PLAYERS. THE GOAL IS FOR ALL OF THE PLAYERS THAT ARE 1ST AND 2ND ROUND PICKS TO BE THE BEST PLAYERS OUT THERE, AND IN THE LAST ROUNDS OF SELECTION BE THE LEAST EXPERIENCED PLAYERS.

8. It is the coaches responsibility to contact every player/parent on the dates, time, and location of practices.
9. A coach shall contact league administrators if they have a player that is not attending practices, injured and any other situation that involves a player not attending team functions.
10. Any player quitting a team for any reason will not be eligible to participate in the program for the remainder of the season unless she rejoins her original team and is approved for reinstatement by the Parks & Recreation Commission.
11. The written request for removal of a player by a coach will be investigated by the Parks & Recreation League Administrators and determined by facts.
12. A player can only be dropped from a team for the following reasons:
 - a. Moving out of town
 - b. Sickness (doctor's excuse) or injury
 - c. Disciplinary reasons (documented-this item is to be used by coaches who have attempted to correct disciplinary problems with no results) and have communicated with parents as outlined.

13. Disciplinary action for unsportsmanlike behavior during practice/games will be handled as follows:
 - a. Written report given to staff and parent of player.
 - b. Once the letter is received, the player must have a parent or responsible party remain on premises during practices.
 - c. Written report must be submitted to DGS Administrator if a parent is requesting removal of practice restrictions.
 - d. Any type of disciplinary action that requires the player to sit out a game must be in compliance with the notification to DGS Administrator and Umpire prior to the game. Once the game begins a player may not be sitting on the bench for disciplinary reasons.

14. Disciplinary action for failure to attend practice sessions or regular season games may be implemented after a warning. A coach must attempt to resolve the problem with the players and parent (s), and approved by Administrators before these disciplinary procedures take effect.
 - a. Players missing three (3) unexcused practices will not be allowed to start the next game.
 - b. Players (s) missing four (4) unexcused practices, will be required to sit out the next game and a written report must be furnished to the league official presiding.
 - c. Coach must submit to DGS Administrators the process he/she has implemented that outlines what is an unexcused practice prior to any disciplinary actions.

Rule Clarifications:

Clarification of Darlings Division Rule VII Regarding Base-Running

With Coach Pitch in Darlings division base running rules revert to Sweetees.

- **If the ball and player-pitcher are in the circle at the same time, the ball is dead. The players will stop at the base the umpire rules they are entitled to.**

Umpires award the next base if base runner is more than halfway to the next base when play is ruled dead. The rule will be within the umpires judgment and cannot be protested.

EXAMPLE

VII C 1: A player-pitcher has possession of the ball inside the circle.

VII C 2: A thrown ball which hits the ground inside the circle while player-pitcher is inside the circle.

VII C 3: A defensive player with possession of the ball enters the circle while player-pitcher is in the circle.

The player-pitcher does not have to have possession of the ball in the 8' circle.

NOTE: If an umpire feels the ball was thrown in order to make a play on a base runner, even after touching inside the circle, then the ball will remain live and play shall continue. (Please note that the rule could change upon the guidelines of the Dixie Inc; handbook).

A spirit of good SPORTSMANSHIP should prevail during and after the game. Any chatter must be directed to their own team. 2. Coaches and managers are subject to ejection same as above. Each coach must be in the prescribed area during the game. Ejection will be for the game being played and the next regular season game. Two ejections will warrant a hearing with the department and/or the Parks and Recreation Commission however DGS reserves the right to invoke stricter penalties to those actions if deemed appropriate.
3. If a fan, coach, or player uses obscene language, comes in physical contact, or directs derogatory remarks toward the umpires, league officials, coaches, players, parents or any personnel during or after a ball game, the fan/coach will be removed from the ballpark for that game and the next scheduled game. If a fan/coach/player is under the influence of alcohol, illegal drugs, or engages in a fight at the ball park, then DGS Administrators will have the option on subsequent incidents to ban the fan from the ballpark for any portion or all of season.

Sportsmanship-A team will receive a sportsmanship spirit award in each age division. Umpires and Coaches will vote after each game. Voting will be based on players, coaches, and fans.

All-Star Practice

Parks and Recreation recommends teams participating in the District, State and World Series tournaments practice anywhere from two (2)-four (4) times a week. Parks and Recreation recommends practices ranging between one (1)-two (2) hours. Coaches should be sensitive to the age group and needs of each respective all-star team when scheduling practices. Coaches should also take into consideration the need for scrimmages and team building exercises.

We appreciate the valuable time that our volunteer coaches contribute to help make our girls softball program successful. We recognize the sacrifices made in order to teach and mold the players on your team. We are also aware of the difficulties, and additional time and effort that go into the preparation of our all star teams. Coaches, the dedication and volunteer hours contributed are priceless. In terms of providing “Lifetime memories for the players on your team”.

All star coaches, we are asking for sensitivity and understanding of the families participating in our tournaments. Parents, we ask that you show appreciation for the time and dedication of your coaches and share the time constraints that your family is experiencing. Both coaches and parents need to work toward meeting in the middle.

FIRST AID

First Aid kits are available at Culpepper Park concession stand. First Aid kits shall be provided to each team at the coaches meeting. It's important for coaches not to panic if an injury should occur. Remember to administer only as much First Aid as you are trained to provide. NYSCA recommends these points if an accident occurs:

C – Is player CONSCIOUS?

O – Is sufficient OXYGEN available; are airways clear?

A – ASK player where it hurts.

C – CONTROL area in pain or injured.

H – HOSPITAL – Is it necessary to take player to hospital?

(Rather be safe than sorry.)

A secondary insurance policy will cover accidents that occur either during practices and games or travel to and from practices and games. Make your practices and facilities as safe as you can by always checking grounds for hazards. Please report hazards to DGS Administrators or contact if you have questions at 903-463-5116.

IMPORTANT NOTICE

*Please contact DGS Administrators of any injury and provide the required documentation of the injury for the safety of our participants. Coach, this is your responsibility along with providing all of the details pertaining to the incident in a written report. The insurance company requires specific paper work detailing the incident. Game Scheduling

When making the game schedule the only events/Holiday that Denison Girls Softball will be honoring are the following:

- TAKS Test
- Good Friday
- Memorial Day
- Denison/Pottsboro High School Graduation

We are aware of the busy schedules that families are faced with today. It would be great to have the opportunity to devise a softball schedule that would allow no conflicts. However we all know that is not possible.

DGS must work within the boundaries of Dixie Softball. Therefore our league must be complete about mid June. We begin our league as early as our weather permits which is late March.

Therefore, we are scheduling around the listed events/holidays. Please review your schedule and notify your daughters coach so that arrangements can be made to cover that particular player. Our rules allow coaches to pick up players from the lower divisions to fill positions when players must miss a game.

DGS appreciates you understanding and support.

WEATHER PROCEDURES

RAINOOTS

A decision on whether the fields are playable will be made at 3:00 p.m. on game day. After 3:00 p.m., the coach (or designated team representative), shall call the Denison Parks & Recreation's **GAME AND ACTIVITY HOTLINE 903-465-GAME** to find out the status of that night's games. The number of teams prohibits staff from contacting all players and coaches, therefore, it is each head coaches responsibility.

In threatening weather, the game status will be determined by the DGS Administrators at the fields. After 5:00 p.m., coaches can call the **GAME AND ACTIVITY HOTLINE** to find out if the games will continue that night. Again, it is up to the coach or team representative to contact the office during potential inclement weather.

Rainouts will be rescheduled as follows: rainouts on Mondays and Tuesdays will be rescheduled for the next available times on Thursday, Friday, or Saturday. Rainouts on Thursday, Friday, and Saturday will be rescheduled for the next available time the following week. Rainouts may be scheduled on Saturdays. Coaches will be notified of the new schedules, and a copy will be posted at the concession stand at Culpepper Softball Park. If you have not been notified, please call!

During lightening or inclement weather the DGS Administrators will make the decision to cancel games due to dangerous weather. To help assist in determining dangerous weather the DGS Administrators utilizes a Sky Scan Lightening Detector, which can detect lightening from 40 miles away and an All-Hazards Emergency Alert Monitor. The Supervisor on duty also has contact with the local weather station as well as access to a television tuned in to the weather channel. We feel these precautions are necessary to make a more informed decision as to when games should be cancelled for the safety of players, coaches, and spectators.

Please assist staff in clearing the facility once the decision has been made to cancel the games. These decisions are made to protect our participants, coaches, and supporters. Once the game has been canceled, there is no time to argue—get your players and parents off of the field immediately.

Lightning Safety

Plan of Action

Updated 2006

1. **Detecting Lightning-** To help assist in determining dangerous weather the DGS Administrators utilize a Sky Scan Lightening Detector, which can detect lightning from 40 miles away. The Supervisor will also be in contact with the local weather station as well as have the television tuned in to the weather channel.
2. **Plan-** When you first see lightning or hear thunder you need to notify umpires and /or the DGS Supervisor. At this time Parents and Participants need to evacuate the field and dugouts, and proceed to a building or a vehicle. Lightning often precedes rain, so we will not wait for the rain to begin before suspending activities.
3. **When at practices or games** AVOID water, high grounds, metal objects, and high spaces. Participants and Parents need to evacuate dugouts, canopies, and soft top convertible vehicles. Participants and Parents need to go to their hard top vehicles and roll up the windows, or take shelter inside of bathrooms. If there is NO possible way for Participants and/or Parents to take shelter they need to crouch down with their feet together, and place their hands over their ears. They need to be at least fifteen (15) feet apart. *In case someone was to be struck by lightning this will keep the current from jumping.*
4. **Activities will be suspended** for 30 minutes after the last observed lightning or thunder.
5. **Injured Persons** DO NOT carry an electrical charge and can be handled safely. Apply First Aid procedures to a lightning victim if you are qualified to do so. Call 911 or send for help immediately.
6. **Emergency Numbers:** Emergency Medical Services: 911
Texoma Medical Center: 903-416-4000
Fire Department/EMT: 903-465-2720
Police Department: 903-465-2422

The 2011 Denison Girls Softball season is just around the corner! We had a very successful 2010 season. Denison Girls Softball participation has nearly doubled in the last five years. We offer a recreational program for girl's ages 3-18, and boys 3 & 4. After regular season play we offer an All-Star program where our participants continue to be successful. Our Ponytails division (11-12 yr olds) played late into the District Tournament, with our Angels (9-10 yr olds) and Belles (13-15 yr olds) divisions becoming District 5 Champions. Both divisions participated in Dixie State Tournaments. Finally our Darlings (7-8 yr olds) participated in the Dixie Darlings World Series that was held right here in Denison, TX.

The success of our program is largely due to businesses and organizations such as yours. We thank you for the support of our program over the past 20 years.

Businesses who so graciously support our program will receive several benefits: effective advertisement for a minimal cost, assist in providing a tool to develop character, responsibility, and citizenship in our community's leaders of tomorrow.

The donation made on behalf of your business will provide a team of 12-15 players with a shirt and visors; and 3-5 coaches with a coach's shirt. Your business will be the name of the sponsored team as well as displayed on the teams jersey.

On the behalf of Denison Girls Softball, may I encourage you to assist us in this very beneficial program for our youth and join in our success by becoming a team sponsor? If interested, please submit a \$250 check addressed DPARD along with your business name and or logo ONLY (with an approved logo that shall include a maximum of 3 colors) to Denison Girls Softball, 531 W Chestnut, Denison, Texas 75020.

Sincerely,

Danna Quinlin

Clarification of proper attire for coaches

Coaches must wear proper attire during all practices and games. When choosing attire, coaches should pick clothing that is suitable when dealing with children. T-shirts and shorts must be of appropriate length and of good taste. No clothes should be suggestive in nature. Coaches are role models and have great influence on the participants of our program. It is imperative that we dress appropriately.

Example of proper attire:

- T-Shirts
- Sweat Shirts
- $\frac{3}{4}$ sleeves
- Sleeveless Shirts
- Pants
- Shorts must be modest in length

Examples of improper attire:

- Muscle shirts
- Halter tops
- Swim suit tops
- Shorts that do not meet proper length

The coaches that are not dressed appropriately shall be removed until proper attire is obtained. We appreciate your cooperation in setting a good example for our participants.

All-Star Uniforms

All-Star teams in each age division will be responsible for doing a fundraiser to raise money to pay for their All-Star uniforms. Each team will need to raise \$600 . It is up to each team how the money is raised. (ex. Car wash, bake sale, etc.) All monies are being raised in the name of Girls Softball so ALL monies must be turned into the Parks and Recreation offices at 531 W. Chestnut.

All-Star uniforms, (logos and colors) will be the same throughout all age divisions for all-star tournament play. Staff will bid out the all-star uniforms and will use school colors to promote school and community pride. DGS will also choose the design for uniforms as well as purchasing the all-star coaches with the same shirt for all divisions. DGS will design the uniform logo so that it can be used throughout post season play. This is to include the District, State, and World Series Tournaments.

All-Star Coaches

Any Coach listed on a Season Team Roster may turn in a request to be considered for the Head All-Star Coach in their age division. Coaches will be selected after careful review. Coaches will be selected with the following considerations:

- Attitude
- Knowledge of the game
- Attendance of Regular Season Games
- Availability

All-Star Selection

Player Selection

To be considered participants must:

- Sign up for all-star selection
- Meet the game requirements set by Dixie Inc.
- Be available to participate all-star tournaments District through World Series

Selection Process

- There will be a try-out for those participants who have signed up to be considered for the team.
- All participants who sign up will be considered for the all-star team
- Coaches will vote for players listing them in order of priority. (first –last)
- The six (6) participants or any tie in the top six (6), with the most points from coaches will be selected to the team
- Coaches will NOT be allowed to vote for players on their team.
- Head Coach and assistants of the All-Star team will select the remaining six players.

Coach Selection

Head coaches will not be determined by winning the league as in years past. Applying head coaches will go through a nomination process where he/she will be selected by the following characteristics: personality, knowledge of the game, coaching ability, interaction with participants, following policies and procedures etc.

DGS feels that this new selection process will eliminate the win at all cost philosophy and will redirect coaches to focus on developing fundamentals

To be considered coaches must:

- Submit a letter stating they will be available for all tournament dates, and why they want to be the Head Coach
- Submitted letters are only for the Head Coach position
- You may only apply in your age division
- You must be listed on a season team roster

Selection Process

- DPARD commission will review submitted letters
- Interview coaches, if needed
- DPARD staff will give input on each applicant
- Commission will select the applicants who will be the best asset to the participants
- Head Coach will then be able to select their assistant coaches (they must be on a season team roster for that age division)

Every umpire in the Denison Girls Softball program is required to attend a training clinic and pass a Dixie certification test. These regulations are implemented to help insure that every umpire is knowledgeable of the rules and will apply those rules fairly and equally to all participants, teams, and coaches. All umpires must be a member of the Denison Umpire Association. A volunteer application must be completed as well passing a background check.

DGS umpires expectations include abiding by all rules, regulations, policies, and procedures. DGS Umpires are required to remain at the fields for 15 minutes after their last game. This is in case a coach decides to protest a game. Coaches are allowed 15 minutes after a game is complete to protest a game. DGS reserves the right to remove an umpire that does not follow these procedures.

Umpires may apply at Denison Parks and Recreation Office, 531 W. Chestnut, Denison, Texas 75020. We encourage our umpires to remember that the Denison Girls Softball program is an opportunity for the kids to learn good sportsmanship and to enjoy the game of softball.
