

2023 Draper Fall Softball League Rules

General Rules:

1. We will be using NSA for our umpires this year and will be using NSA rules. All BATS must have the NSA 2012 stamp on it or it will not be allowed to be used. A pitch must have a legal arc minimum of 6' from the ground and shall not exceed 10' at its highest point while in the air. Pitching distance is 53' - pitcher must have foot on rubber at the time of the release of the pitch. If a pitcher fakes, or is not in contact with the rubber it will be a "Dead Ball" and the pitch will be determined a ball. **A mat placed behind the plate will be used for the strike zone. Any legally pitched ball within the minimum and maximum height limits that hits the mat will be called a strike.**
2. Three balls, two strikes. Home team is the first team listed and will be in the third base dugout. A 12" ball will be used for men, 11" for women. **Per NSA COED Rules: Due to our league switching balls there is no COED line. However, COED teams may NOT play a 5 man infield and all infielders must be on the dirt. The outfield has to be in the grass in an umbrella formation and CANNOT be on the dirt.**
3. There will be a maximum of three (3) home runs per game! Any more than three (3) will be considered an out. The team that hits the home run or foul is responsible for getting the ball back. If the umpire runs out of balls the game will be delayed until the balls are returned. The clock will not stop. **Home Runs will be a hit and sit. No need to run the bases.**
4. There is a must slide for all bases except first when there is a close play. (Umpire's discretion)
5. **50 minute time limit** or 7 innings, whichever comes first. **No new inning may be started after 50 minutes from game time.** RUN RULE: 20 after 3 innings, 15 after 4 innings, 10 after 5 innings. There is no flip-flop rule.
6. **In the event of a tie. 1(one) international tie breaker inning (Runners at 2nd & 3rd) will be used to determine a winner. If at the end of the inning both teams are still tied, the game will be called a tie and will be over.**
7. CO-ED 10 players play on defense. The pitcher/catcher combination must be 1 male/1 female. Infield combination must be 2 males / 2 females. Outfield combination must be 2 males / 2 females. When a male batter is walked intentionally or unintentionally, the male batter is awarded second base, and the following female batter must bat. EFFECT: The ball is dead and the male batter may go directly to the awarded 2nd Base without touching 1st base. EXCEPTION: WITH TWO OUTS the following female batter has the option to bat or walk.
8. CO-ED- All infielders must start on the dirt at all times. This includes both men and women.
9. Mens/Womens Leagues: 10 players play on defense.

10. Teams must have at least 10 players for a full team. If a team has less than 8 players the game will be called a forfeit. In CO-ED there must be at least as many men as women playing at any time. Teams may play with more women than men, but not more men than women. Using players from the team you are currently playing or another team in the league will result in a forfeit. If a team has more men than women auto outs may be taken if the other team agrees to playing more guys than girls with an auto out.
11. No auto outs will be given for teams fielding less than 9 players.
12. Any game or roster protests MUST be made before the end of the second inning.

If a player is tagged after crossing the commit line they will not be out. ALL Plays at home are force out.
