It is every team captain's and player's responsibility to call the weather hotline. In case of inclement weather or poor field conditions after a game has begun, the field supervisor and/or umpire will decide if the field is playable. Every attempt will be made to play; however, safety is the #1 concern of Erie Parks & Recreation.

F. LEAGUE CLASSIFICATIONS

We do our best to appropriately place teams into leagues; however, we reserve the right to place teams as we see fit and do not guarantee perfectly matched leagues. The league supervisor and Sports Administration team will monitor teams and/or players and if it is deemed a team and/or player(s) are incorrectly classified, may move teams and/or players up or down accordingly in future leagues. **To help determine the proper classification of your team, please use the following guidelines:**

1. Recreational/Open – This is the only league available at this time. There will be a mix of novice and experienced players/teams.

G. TEAM CAPTAIN'S RESPONSIBILITIES

The team captain is the primary link between their team and Erie Parks & Recreation. It is the team captain's responsibility to obtain all information regarding league play and communicate it to their team members. Responsibilities include:

I. BLOOD RULE

Any player or coach who is bleeding or who has blood on his/her uniform shall be prohibited from further participation until appropriate treatment can be administered. Officials should stop the game and allow treatment. If treatment is administered in a reasonable amount of time, the individual will not have to leave the game. D. GAME PLAY

- 1) **FIELD DIMENSIONS:** approximately 30 x 70 yards.
- 2) **SIDELINES:** Teams and fans must choose one distinct sideline and stay on that sideline for the entirety of the match. Teams may no longer share one sideline.
- 3) **STARTING A GAME:** A coin toss determines first possession. Only one captain from each team can attend the coin toss and must remain 6 ft from the other captain and the officials.
 - a) The winner of the toss can choose to start the first half on offense or defense. Loser chooses the direction for the first half. The team that started the game on defense will

begin on offense the second half. Teams will also change direction to start the second half.

- b) Teams are expected to provide their own game ball. It should be sanitized before the game begins and during each defensive possession. Sharing of a game ball is highly discouraged, but if it is necessary, it must be sanitized before sharing.
 - c) All footballs used for game play must at least be a size 9 or "official" size 3 (high school).
 - d) The offensive team takes possession of the ball on the 5-yard line and has 4 plays to cross mid-field or the option to "punt," after the 3rd play.
 - i. If the offense chooses to punt, the ball changes possession and the new offensive team takes over from the 5 yard line.
 - ii. If the offense attempts the 4th down play and fails to achieve a first down, the ball changes possession and is spotted where the 4th down attempt concluded.
 - e) Once a team crosses mid-field, they will have 4 plays to score, or the option to "punt," after the 3rd play.
 - i. If the offense chooses to punt, the ball changes possession and the new offensive team takes over from the 5 yard line.
 - ii. If the offense attempts the 4th down play and fails to achieve a first down, the ball changes possession and is spotted where the 4th down attempt concluded.
- 4) **PLAYERS:** The game is played between two teams of 5 players each. Both teams must be ready for play at the scheduled time. Teams must start and end the match with at least 3 players. Failure to comply will result in a Forfeit that will be scored as 20-0.
- 5) **GAME CLOCK AND TIMEOUTS:**
- a) The game will consist of two 20-minute running halves.
 - b) Halftime will be 3 minutes.
 - c) Each team has two 30 second time-out per half.

 - ii. The point differential in the game must be 16 points or less in order for these rules to go into effect (second half only).
 - iii. At one minute (or as close to it as possible), the clock will stop for a one minute warning and both teams will be informed that the end of game timing rules are in effect.
 - iv. The Clock will stop for all incomplete passes, out of bounds plays, scoring plays, penalties, and change of possession. The clock will start on the next snap.
 - v. If 1st down is gained, clock will stop until ball is set and ready for play.
 - vi. During Stop Clock Rule, all accepted offensive penalties will incur a 10 second run off of the game clock.
- 6) **SUBSTITUTIONS:**
- a) Both teams may substitute an unlimited number of players at any dead ball during the game.
- 7) **ONSIDE KICK RULE:**
- a) When stop clock rule applies, tied or losing team may elect to attempt an onside kick.
 - i. The onside kick is 1 play from your own 5 yard line.
 - ii. To convert the offense must get to the mid-field line. If executed, offense will continue from where onside play ended.
 - iii. If onside is not converted by offense, the defensive team will take over where the onside play ended.

- iv. If either team scores on the onside kick play, it will be counted as a normal scoring play.
- 8) **CONTACT:** **There is no contact allowed.** In addition to a penalty, the first offense is a warning. Second offense is ejection.
- a) **Shadow blocking is allowed.**
 - i. **Behind the Line of Scrimmage:** Offense may shadow block the defensive rushers only. There may be no use of hands or any other contact allowed.
 - ii. **Beyond the Line of Scrimmage (Downfield):** Offensive players must establish a position downfield and remain still forcing the defender to avoid them. No use of hands (similar to basketball).
 - iii. **Rushing the QB** – receivers may not impede rushing player and need to avoid contact at all possible. The rushing player is allowed a straight path towards the QB, but may not initiate contact with offensive player.
- 9) **EJECTIONS:** Any ejected player **MUST** leave the park immediately or police will be called to escort the player from the premises and additional suspensions and penalties may be levied. The player shall sit out the designated number of games (determined by Sports Administration) before being allowed to play again. Failure to comply may result in suspension of the player for the remainder of the season. Ejections may not be appealed. Teams may substitute for the ejected player. Should an ejection cause a team to fall below the minimum number of players requirement, that team must forfeit the game. Additionally, any player receiving 2 unsportsmanlike penalties in the same game will be ejected.
- 10) **SCORING:** Touchdowns = 6 points, Extra Points = 1 point if successful from the 5 yard line; 2 points if successful from the 10 yard line, Safety = 2 points. Defensive Conversion on Extra Point Attempt = 2 points
- 11) **OVERTIME:**
- a) **Regular Season:** All games tied at the end of regulation will continue with college football overtime rules where each team takes possession at midfield and has 4 downs to score. If the score remains tied after each team has one possession, the game will be declared a tie.
 - b) **Post Season:** All games tied at the end of regulation will continue with college football overtime rules where each team takes possession at midfield and has 4 downs to score. Teams will alternate until one team is ahead at the end of the cycle. If a 3rd overtime period occurs, both teams must go for a 2 point conversion upon scoring a touchdown.
 - c) To begin overtime, the winner of the coin toss will have the choice of offense or defense.
 - d) In postseason only 1 coin toss; possessions will alternate based on that toss for the remainder of overtime
- 12) **FORMATIONS:**
- a) Minimum of 1 player on the line of scrimmage.
 - b) No requirements on the amount of lineman.
 - c) The ball can be snapped between the legs, or off to one side, to start play. The ball must remain in contact with the ground until snapped.
- 13) **DEFENSIVE FORMATION:** For 2022 Spring Season, the neutral zone will be increased to 2 yards and all defensive players must line up at least 2 yards off any offensive player.

14) PASSING:

- a) The offense has a 7-second pass clock. If the pass is not thrown within the 7 seconds, play is dead with a resulting loss of down. On a designed running play, the ball must cross the line of scrimmage before 7 seconds.
- b) Shovel passes are allowed but they must be beyond the line of scrimmage.
- c) Interceptions can be returned. If the intercepting player's flag inadvertently falls to the ground, a tag (with 1 or 2 hands) between the shoulders and the feet constitutes a deflagging.
- d) All passes must be moving forward at or beyond the line of scrimmage.

15) RECEIVING:

- a) All players are eligible to receive passes (including the quarterback if the ball is handed off behind the line of scrimmage).
- b) Only one person is allowed in motion at the snap of the ball. The motion must be parallel to the line of scrimmage.

- b) Teams are allowed an unlimited amount of handoffs/laterals and pitches behind the line of scrimmage.
- c) You are allowed one backwards lateral/pitch beyond the line of scrimmage on any play; run, pass, or interception.
- d) The player who takes the handoff can throw the ball as long as he/she does not pass the line of scrimmage.
- e) "No Running Zones" are located 5 yards from each end zone and 5 yards on either side of mid-field.
- f) Once the ball has been handed off, all defensive players are eligible to rush.
- g) Spinning is allowed but players cannot leave their feet to avoid a defensive player (no jumping / diving / feet first sliding).
- h) The ball is spotted where the feet are located when the flag is pulled, not where the ball is located.

17) RUSHING THE QUARTERBACK:

- a) All players that rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback.
- b) Once the ball is handed off or a pitch/lateral is made, the 7-yard rule is no longer in effect and all defenders may go behind the line of scrimmage.
- c) Players not rushing the quarterback may defend on the line of scrimmage.
- d) A special marker or the game referee will designate 7 yards from the line of scrimmage.

18) DEAD BALLS:

- a) Play is ruled dead when:
 - i. The offensive player's flag is pulled (If the offensive player's flag inadvertently falls to the ground, a tag (with 1 or 2 hands) between the shoulders and the feet constitutes a deflagging.)
 - ii. The ball carrier steps out of bounds
 - iii. A touchdown is scored
 - iv. The ball carrier's knee hits the ground
 - v. A fumbled ball hits the ground
- b) Substitutions may be made on any dead ball

- c) Any ball that hits the ground will be ruled dead. There are no fumbles and the ball is marked where it first hits the ground. If the ball is fumbled forward, dead ball will be marked where the ball is fumbled rather than where it hit the ground.

- a) **Zero tolerance for any "trash-talk", verbal abuse, or rough play. Offending players will be ejected.**
- b) Game officials determine incidental contact, which may result from normal run of play.
