Rules

Farmington Gymnasium: 294 S 650 W, Farmington. 801-939-9229

WARM-UP/SKILL BUILDING The warm-up routine will consist of the following: 3 Minutes each at the net and 3 minutes off the net with ball handling. Each team will then have 2 minutes to serve together. If a team is late the above will not be accomplished.

GAME TIME At game time if any team has less than 6 players, players from the other team can join the opposite team. Those players that join the opposite team can be switched during the sets.

GAME Two sets (games) will be played to 25 points (cap of 27)

If sets are split a third game of 15 (cap of 17) will be played. With a switch of sides at 8 points.

RALLY SCORING: "A point scored on every score of the ball." A team scores a point any time the opposing team makes an error.

THE SERVE Players are allowed to step over the service line IF NEEDED and as far up as the yellow line (middle court). Servers will get two attempts to serve "IN" on every side-out FOR THE FIRST TWO GAMES. 5 consecutive points earned by the same server will constitute a rotation of players and a new server. The guide for the service line is represented on the side-line with a "yellow marker".

NET Players may not touch the net or step over the line under the net. A side-out will be awarded

TIMEOUT Two (2) - 30 second time-outs per team per set can be called when the ball is dead on either side

ROTATION Teams will rotate each time there is a side-out. Every player must rotate in at a designated position (USUALLY RIGHT AFTER THE SERVE). Each rotation a player will come out and a new one will go in. This is not optional- This is the time for on-going substitutions

JEWELRY/CASTS Players shall not wear anything dangerous to themselves or other players, such as watches, rings, earrings, casts-padded or not.

FORMAT FOR PLAYING THE GAME

Maximum of three hits per side.

Player may not hit the ball twice in succession

Ball may be played off the net during a volley or net serve

A ball touching a boundary line is good

If the ball hits the ceiling or basketball backboard/rim on your side and comes down on your side, it is playable. A ball that hits the walls or curtain will be considered a side-out

BASIC VIOLATION Hitting the ball illegally (carrying, palming, throwing), blocking or attacking a served ball. Our refs have been advised to give warnings instead of awarding a side-out for the first offense.
