

A Coach's Introduction to QuickScores Text Messaging

- Texting is free to our clients and coaches.
- You will not receive texts until you explicitly Opt In by registering with QuickScores.
- An Invitation Email is sent to you whenever you are assigned to a team in QuickScores.
- You register by clicking on a link in the Invitation Email, which will look something like this:

Bubba,

A league administrator at Quilmark Sports just entered your name as a coach of the "Big Dunkers" team in the "Men's Summer Basketball" league.

You have the option to create an account on QuickScores in order to:

- Manage your contact information
- Sign up for text message notifications (in case of schedule changes or other important announcements)
- Edit a message on your team's schedule

Coach's Introduction to QuickScores Text Messaging

- QuickScores will send a text message to your phone with a 4-digit confirmation code to the mobile phone. When you receive that text message, you should enter the four digits into the Profile page (as shown above) and click the Confirm button. When the correct confirmation code is entered, the top of the Profile page will display "Code confirmed!" and the status next to the phone number will be "Confirmed", as shown below.

Phone Number	Mobile Carrier	Status
214-555-3079	Sprint	Confirmed
	-- Select mobile carrier --	New

- You will now be signed up to receive text messages for your team(s). If you coach multiple teams, you can click on Notifications in the left menu and select which team text messages you want to receive.
- By clicking on My Teams in the left menu, you can create a message for your team that will appear on your team's printer-friendly page. (A team's printer-friendly page can be seen by clicking on the team's name anywhere in the league schedule or in the standings.)

Team Message

The following message appears at the top of your team's schedule page. Type your message into the text editor and click the Save Message button when you are done. Once you have saved your message, you will see a preview of how the message will be displayed on the team schedule page.
