I. League Organization

- A) The governing body of this league is Gwinnett County Parks and Recreation.
- B) USA slow pitch rules govern league play except when superseded by the following rules and regulations. Gwinnett County Parks and Recreation reserves the right to rule on anything not covered in the USA rulebook.
- C) The league shall consist of the following divisions: Men's Open (5 HR-then singles, 40 & Over, Equalizer, Recreation Players only and No Homerun), Mixed Leagues, Coed Open (Equalizer and Recreation Players only) and Men's Church (Unlimited and Equalizer). **ANY PLAYER THAT IS LISTED ON A SANCTIONED TOURNAMENT ROSTER IN THE CURRENT CALENDAR YEAR AND PARTICIPATES IN A RECREATION ONLY LEAGUE GAME WILL BE RESULT IN A FORFEIT IN ALL GAMES THE PLAYER PARTICIPATES IN.**

- E) Each team will be responsible for checking the website for rain out and make-up game information. We will post this information to the website as soon as it becomes available.

II. Game Rules

- A) All teams must have at least six (6) players to start or continue a game. If a team fails to field at least six (6) players at game time, that team shall forfeit the game. If neither team can field six (6) players at game time, it shall be ruled a double forfeit.
 - 1) If a team starts with six (6) players, or is playing with six (6) players, the 7th to 10th player may be added to the line-up at the time of arrival. The player or players must be added to the bottom of the batting order.
 - 2) If a team does not start the game with the extra player(s), he/she may not be added once the game has started.

- 3) Pitcher and catcher positions must be occupied when playing in the field.
- 4) If a player is removed from a game for any reason and the team has no substitutes, an out will not be charged for the removed persons turn at bat. Once removed, the player cannot re-enter the game. **Exception 1:** If a player is removed from a game for unsportsmanlike or rowdy conduct, an out will be charged for the removed persons turn at bat if no legal substitute is available. **Exception 2:** See coed rules starting on page 4. Remember no team is allowed to play with less than 6 players.

B) Games will start at the scheduled time.

- 1) A ten (10) minute grace period is allowed only on the first game of the night. The grace period is considered as part of game time. However if a team has six (6) players, the game will start immediately or as soon as the sixth (6th) player arrives. Grace period time counts as game time.
- 2) All players are expected to hustle on and off the field at all times, for the sake of speeding up the game. The pitcher shall have three (3) warm-up pitches and the inning will start.
- 3) The one hour game time will be displayed on the scoreboard. If the scoreboard timer is not working, then it will be monitored by a digital clock provided by GCPRD. The game clock will start immediately following the pre-game instruction meeting at home plate between the umpires and team coaches.
- 4) Teams will not be allowed to swap game times or days with other teams. No exceptions will be made.
- 5) Infield practice will be allowed only if it will not cause a delay in the scheduled starting time.
- 6) Line-ups should be turned into the umpire 10 minutes prior to the start of each game. Continued violation will result in disciplinary action from probation to suspension.

C) There is a one hour time limit on each game. No new inning shall begin after this time has elapsed. Five (5) innings shall constitute an official game in the case of rain-outs or four and one half (4 1/2) innings if the home team is ahead. If required regulation innings have not been

played, the Gwinnett County Parks and Recreation will reschedule the game at the earliest possible date. (Any rescheduled game will resume from the exact point that the game was delayed or postponed).

- D) There will be a **10-run** rule in effect for all games after five (5) innings or 4 1/2 if home team is ahead by ten runs, **12-run** rule after 4 innings and **15-run** rule after 3 innings.
- E) **Some rainout games will be rescheduled on Saturdays and/or Sundays.**
- F) **RAINOUT PHONE NUMBER: (770) 822-8882 (AFTER 4:30 PM).**

- I) In case of league standing ties, winners will be determined by:
 - 1) Head to head competition (margin of victory)
 - 2) Margin of victory against highest place team. If you have any questions concerning this rule, call the athletic office at 678.277. 0891.
- J) Courtesy runners will be allowed. The coach can pick any player to be the courtesy runner. If that courtesy runner comes up to bat in the batting order and he/she is still on base, it will be ruled an **out for that at bat**. In Coed, courtesy runner must be of the same gender.
- K) An **Infield Fly** is a fair **fly** ball (not a line drive or bunt) that, in the judgment of the umpire, can be caught by an infielder, pitcher or catcher with ordinary effort when there are runners on first and second or first, second, and third and less than 2 outs.
The **Infield fly** only calls the batter out. It does **NOT** create a dead ball situation. Runners are allowed to advance at their own jeopardy the same as any other fly ball. Because the batter is call out there is no force out on the base runners, therefore they must be tagged out.
- L) The team batting is responsible for balls hit outside of playing area.
- M) Any protested game or game suspended for any reason, that shall be replayed at a later date, will begin at the point the game was suspended or at the point of protest. **NO GAME SHALL BE STARTED OVER.**

foot within the pitcher's box will be an illegal pitch.

O) The home team will be determined by the schedule on the website.

P) Co-Ed League ONLY:

1) There will be a 200 foot line in the outfield that the outfielders must remain behind while a female is at bat. The penalty for outfielders being over the line will be that all base runners will advance one base, and the batter will be awarded first base.

5) If a team does not start the game with extra player(s), he/she may not be added once the game has started.

6) If starting a game with less than 10 players, no team may add players to their line-up causing more men than women on the field or in the batting order.

7) If a female is removed from the game for any reason and this causes 2 men to bat back to back, a team will have three options:

a) Replace the outgoing female with a female substitute

b) Remove one male (must be male batting either before or after removed female)

c) If one male is not removed, receive one out for the removed female for each scheduled turn at bat.

Note - if an additional female is removed from the game, options A, B, or C are repeated.

a) A team must have one and only one male in the pitcher/catcher combination.

c) A maximum of two (2) male players are permitted in the outfield.

The home team can hit all available homeruns in the seventh inning to tie or go ahead. The equalizer rule still applies if extra innings must be played.

U) 5 Homeruns, then singles – Teams can hit 5 homeruns. On the proceeding homeruns, the batter will be awarded a single and base runners will advance one base on each homerun.

V) When a batter enters the batter's box with or is discovered using a non-approved bat, the batter shall be called out and the bat will be sent to the field manager for testing.
