

Batting for Brixon

COED Softball Tournament

What the tournament is for: Brixon Williams was born with a rare skin disorder called Giant Congenital Melanocytic Nevus.

Only 1 in 500,000 people are born with this disorder. The money we raise will go to Nevus Outreach to support families and research for this skin disorder. Brixon is now 3 years old and has currently had 7 surgeries to remove the skin disorder.

Saturday, July 21, 2012
