

# Coaches Certification

Volunteer Coaches are our programs greatest assets. We encourage parents to get involved and assist your child and others in having a positive and fun experience in the sport of their choice. We recommend that groups of 4 or more participants registering together provide a head coach for their team. Please make sure that you fill in your name, phone number, and email in the coaches box of your child's registration form. A 50% credit for head coaches is available once the head coach passes the "*Coaches Certification Program*" and has completed the season as a head coach.

The Coaches Certification Program is available to educate coaches on the expectations of Salt Lake County. The reason and goals for this certification program is for children safety, developing coaching skills, teaching good sportsmanship, and making sure that all coaches receive the same information.
