Outstanding Sportsmanship Awards

Sportsmanship Awards honor players who treat their teammates, coaches, officials, and parents respectfully and behave with integrity and self-control.

How does it work?

Coaches will identify at most one (1) opposing player per game, **only if deserving**, to be recognized for their outstanding sportsmanship. (This award **does not** have to be given for every game or to every athlete.) This is only awarded once per athlete per season.

- Coaches identify the Outstanding Sportsman and let the Scorers Table know.
- A game official will present the athlete(s) with a magnet
- The scorers will take a photo of the athlete(s) of the game and report on score sheet.
