

COVID-19 Adjustments for Machine Pitch Baseball:

- **Before games start, all coaches will symptom check their own players. All players must pass a symptom check before the game can begin. Coaches will report that the checks have been completed to the umpires.**
- **Spectators are limited to 2 per player & should stay on the grass areas on the outside of the field. No spectators will be allowed to watch the game past the dugouts. Spectators need to social distance**
- **Participants are encouraged to use their own equipment.**
- **Restrooms will be available but, participants are encouraged to use the restroom at home before coming to the park.**
- **Hand Sanitizer will be available in all dugouts.**
- **The bleachers will be used for “dugouts”. When a team is on the field, only 2 coaches are allowed in the dugout. When a team is at bat, only the player on deck and the player in the hole can be in the dugout. All other players must stay in the bleachers.**
- **Between innings, teams must still social distance and take turns passing through the dugouts. Dugouts will be wiped down between games.**
- **Base coaches are still asked to follow proper social distancing during gameplay.**
- **Sanitizing supplies will be available for all participants to sanitize equipment during the game.**
- **No handshakes or team huddles at the end of the game. Feel free to tip your hat or clap for the other team as a sign of good sportsmanship.**
- **Please do not pass out treats at the end of games. Parents can provide treats for their own child(ren).**
- **All teams must leave the park as soon as the game is over – no team meetings at the park.**
- **There will be no Pitcher position this year.**
- **There will not be an organized picture day this season, but parents are welcome to take pictures at any of their games or practices.**
- **Equipment bags will be ready for pick-up 15 minutes prior to game/practice start. They will be handed out by the Sanitation Crew near the restrooms.**

Note: All Lehi City employees will wear a face mask, when necessary, to properly follow the social distancing recommendations.
