

## **COVID-19 Adjustments for Tennis League:**

- **Before practices or matches start, all coaches will symptom check their own players. All players must pass a symptom check before the game can begin. Coaches will report that the checks have been completed to their coordinator.**
- **Spectators must stay on the grass areas using social distancing measures.**
- **Restrooms will be available, but participants are encouraged to use the restroom at home before coming to the park.**
- **Players will not change sides during a match. Doubles matches will not be played this season. Physical score cards will not be used. These are to reduce the chance of close contact or use of high-touch surfaces.**
- **No handshakes or team huddles at the end of the game. Feel free to tip your hat or clap for the other player as a sign of good sportsmanship.**

***Note: All Lehi City employees will wear a face mask, when necessary, to properly follow the social distancing recommendations.***
