

## Age Groups:

---

Age divisions are determined by USATF, a national organization. Age is determined by birth year and not by current age.

### **Age Divisions:**

2013-2014, 2011-2012, 2009-2010 and 2007-2008

## Attire:

---

### **Shoes:**

Spikes are not necessary and will not be allowed for track meets. Athletic shoes are required. Your child will not be allowed to run or participate in open toed shoes.

### **Clothing:**

Athletic style clothing - Dress for the weather, absolutely no jeans. Every participant will be provided with a Lehi City Track shirt. Your child is not required to wear the provided shirt for track meets but it does help the coaches identify our team easily.

## Safety and Health:

---

**Water Bottles** – There are NO drinking fountains at the schools so make sure to send your child with an adequate amount of water to make it through practice.

### **Sunscreen**

**Medical Conditions** - Please inform track coaches if there are any medical conditions your child may have that they should be aware of.

**Concussion Policy** – If your child shows any signs of a concussion, the coaches have the right to ask your child to sit out for the remainder of practice. If that is the case, a doctor's note will need to be provided for your child to return to practice. Our full concussion policy can be found on the Lehi Legacy Center website.

## Practices:

---

**All Practices will be held at Willowcreek Middle School (2275 W 300 N, Lehi)**

### **Times**

4:00 – 5:00 PM

5:00 – 6:00 PM

6:00 – 7:00 PM

### **Age groups**

Please stick to the practice time that you originally signed up for during registration. We have to make sure we keep the coach to runner ratio.

### **Schedule:**

**15 Mins.** – Drills & Stretching

**20 Mins.** – Group A/B & C or D  
SWITCH

**20 Mins.** – Group A/B & C or D

**5 Mins.** – Cool Down & Stretching

### **Parents**

Parents are welcome to stay at practices, but please do your best to stay away from the group during the practices. It is an open area with a lot of kids running around.

### **Restrooms**

There will be no restroom access during practices since the school will be closed on practice days. However, there will be restrooms available on meet days.

## **Weather:**

---

Practice will NEVER be rescheduled. If a dangerous storm comes through, we will seek shelter and then resume practice when the storm blows over. Parents are strongly encouraged to be at practices when weather may be an issue to provide a car for shelter for their kids. Since the school is not open during practices, we are not able to move indoors for inclement weather.

### **Rainout Hotline:**

On practice and meet days, if there is inclement weather, the rainout hotline will be updated 30 minutes prior to the scheduled time. To find out if a practice or a meet has been cancelled due to weather, call the rainout hotline at: **801-768-7124 Option 5**. We will also send an email to the provided parent email address. Make sure to check your email first!

## **Covid-19 Protocols:**

---

We will have a few adjustments this year to help prevent the spread of COVID-19 at track practices and meets. At practice, participants will not be required to wear a mask. However, they are of course allowed to wear a mask if you/they would feel more comfortable. All Lehi Recreation staff will wear a mask when interacting with participants/parents/spectators. The only exception is when the coaches are running or actively participating in the program.

**Meets:** Each meet will be held in a different city. So, the COVID-19 protocols may vary a little for each meet. When I send out the meet information each week, I will make sure to include that city's COVID-19 plans for their meet. Since the status for the county could change before meets we decided that each city will make their individual decisions the week of meet dates.

**Runners:** During meets, runners will be asked to wear a face mask while waiting in the bull pens. Face masks will not be required during the actual races.

**Spectators:** All spectators will be asked to wear a face mask while in the bleachers. Since all meets will be held at a public school, we will be asked to comply with their policies while at the meets. You are also able to bring your own chair and sit around the outside of the track to help with social distancing.

# Track Meets:

---

## **Track Season Schedule**

(Refer to season schedule)

## **Order of events**

(Refer to Order of Events on the last page)

## **Track Meet Stickers**

Each child will be able to participate in 4 events (track or field) for each meet. At the practice right before a meet (noted on the calendar) there will be a table set up for you or your child to pick up their meet stickers. You will get 4 stickers with your child's name and information.

You will write the events you want your child to participate in anywhere on a sticker. Stickers are to be placed on the participant's shirt so they can give them to the recorder before their event. It is easiest to stick the stickers on the inside of your child's shirt so that they don't fall off while the runner is running.

Your child gets to pick the events they want to participate in. If they want to do all field events they can. If they want to do all running events, then they can!

## **Registration**

Registration begins 30 minutes before the meet starts. **If your child already has their track meet stickers from the practice before, they do not need to go to registration on the day of the meets.** We hand out stickers early to try to save time and chaos on meet days. If your child was not at the practice prior to the meet, there will be a table set-up near the entrance to pick up stickers. Make sure to show up during the registration time to make it easy to pick up your stickers.

## **Track Meet**

After registration you and your child will sit in the stands until your event is called. Your child will then check in at the bull pen to get assigned for the race. The bull pen is located at the starting line for that event. *Parents: please stay in the stands but make sure your child knows where to go. Also make sure your child knows how to find you after the race.* For field events, most often they will be open pit. When your child is not racing they can go down and check in at the field event to participate. Races take precedence over field events. We can wait for your child at a field event but we will not hold up a race waiting for a runner. Remember that our track coaches will be helping to run the track meet and will not necessarily be available to help individual participants. Please make sure you are taking responsibility to make sure your child is at their events at the right time. All racing events will have a 1<sup>st</sup>, 2<sup>nd</sup>, & Final Call.

The Meets are LONG. We have 200+ children in our program alone, not including the visiting city programs. Plan on being at the track for a few hours on meet days. Also, you may want to bring lawn chairs to the meets in case we run out of bleachers.

## **Track Meet Safety**

At track meets please keep track clear of your children. Keep your kids away from the starter. The gun used looks and feels like a real gun. Kids will be curious but please do not allow them to approach the starter.

## Relays:

---

If your child wants to participate in a relay team you must sign up for every meet they want to participate in. Relays count towards one of the four events that your child may participate in at a meet. For each meet, you will sign-up for relays through Sign-up Genius. The sign-up can be found at [www.quickcores.com/lehi](http://www.quickcores.com/lehi). You will be asked to provide your child's; **First and Last Name, Gender and Birth Year**. When you get to the sign-up page, find your child's birth year and Sign Up for a team that has an open spot.

The Relay sign-up days are:

- **May 3<sup>rd</sup>** for the May 5<sup>th</sup> Innersquad Meet @ Willowcreek School
- **May 12<sup>th</sup>** for the May 17<sup>th</sup> Westlake High School Meet
- **May 19<sup>th</sup>** for the May 24<sup>th</sup> Lehi High School Meet
- **May 19<sup>th</sup>** for the May 26<sup>th</sup> Provo High School Meet
- **June 2<sup>nd</sup>** for the June 5<sup>th</sup> Regional Meet @ Pleasant Grove High School

Participants may run with participants from other age groups. But, the whole group has to compete in the age group of the oldest runner on the team.

You will get a confirmation email when you sign-up for a relay and we will also email a list of the relay teams/team names out on the day of the meet. Once you have your child's team name, write the team name on one of your child's meet stickers. If your child decides they want to run a relay after the sign-up date, they can be added to the substitution list at the registration table at the meet. If a spot becomes available, we will contact the parent.
