

## **Five-O's, Midnight Express Win Third Straight In Senior Softball Action**

**By Ken Kotelly**

A third straight win for both the Five-O's and Midnight Express, and a second straight victory for Prime Time highlighted the fourth week of action in the Lexington Men's Senior Softball League this past week.

After winning its first two games with relative ease, the Five-O's faced their first really tough challenge this season against a squad that had already won twice so far this year. But the Five-O's rose to the challenge with a strong offensive effort to keep its winning streak going, and remain atop the Senior Softball League pack.

Dave Mack and Bobby Waters were their hitting stars with four hits each, while Mike McCullough, Frank Boggan, and Mark Roberts added three hits apiece, and Dmitri Hoffmeyer chipped in two hits, to lead the Five-O's to a 14-4 victory over MJB

Consulting, and remain in first place with a perfect 3-0 record.

The Five-O's will face another tough challenge this upcoming week when it meets Foul Play in a rematch of last year's finals.

After dropping its season opener to the Five-O's, Midnight Express bounced back with two straight wins before this past week's play.

Then this past week Midnight Express continued its early season hot streak with a third straight victorious effort, to continue their climb towards the top of the standings.

John Lanza, Rick Pernak, Sean Connor, David Ossam, and Neil Feinberg all led their offensive attack with two hits each, to carry Midnight Express to a 4-1 win over the Goodtimers, and move into a tie for second place with Foul Play while improving its record to 3-1.

Paul George, Brian Soucy, Sal Serio, Simpson Man, and Ray Ciccolo all had two hits for the Goodtimers.

After rebounding from dropping its first two games with their first win of the season two weeks ago, Prime Time continued to come back from its early season slide with a second straight victorious effort this past week, to move right into the middle of the pack. Paul Sacco wielded their hot bat with six hits, while Gregg Armstrong added five hits, and Bill Smith, Chris Ellmore, and Eric Winter chipped in three hits apiece, to help Prime Time defeat Battle Green 16-10, and move into a three-way tie for fourth place while improving its record to 2-2 this season.

Rich Goldberg had four hits, Harvey Lowell, and John Mullen both had three hits, and Brian Mason, Mike Monteiga, Vin Dembro, Christian Boutwell, and Jeff Boutwell had two hits apiece for Battle Green.
