General Rules:

1. **An initial roster is due by your first game and finalized rosters and waivers are due by the end second week of games.** A player can be replaced for medical reasons if a doctor's note is given. No other addition can be made during the season.
2. Rosters are limited to 25 players. All players must bring proof of identification to every game. If a player does not have their ID or they are not on the roster they are considered illegal. If a roster check is called for by either team, all players on both teams will be checked and must provide an ID
3. Team members must wear the same-colored shirts.
4. All umpires' decisions will be considered final. No protests will be allowed, except for eligibility questions.
5. The Lombard Park District does not assume responsibility for any type of injury or loss of property.
6. The Lombard Park District and/or league supervisor reserves the right to change team names or refuse entry of any player, sponsor, spectator or team if in our opinion it is contrary to Park District ordinances, rules or philosophies.
7. A ten-minute grace period will be allowed for the first game played every day/night. Game shall be 110 minutes in length if the grace period is used.
8. Result sheets will be final. After each game the team captain should sign off on the results. If there is no signature the results cannot be contested.
9. A team may start or end with 8 players. The 9th batter will only be considered an out if the team started with 9 players unless the 9th batter is out due to injury. If both teams have fewer than 8 players then the umpire will declare a double forfeit. Both teams can start with 8 players.
10. Courtesy runners can be used for four individuals throughout the game with full stealing ability. Each additional individual chosen to have a courtesy runner will not have stealing privileges.

However, if discussed prior to the game, the captains can agree to allow more courtesy runners with stealing privileges. Please discuss the number of courtesy runners with the other captain before the game regardless of the number you are using. The incoming courtesy runner will be the individual who made the last batted out. If the last batted out is the pitcher or catcher for the next inning then the team can choose to use previous last batted out.

11. Batting order does not have a limit to the number of batters for a team. If a batter is subbed out then he must reenter at the same position in the batting order. This is referred to as using an A B batting order.
12. All bats must be wood or wood composite.
13. The home team will keep the remaining balls after each game. It is useful to keep these separate from your practice balls and use them as back-up game balls as game balls can be lost pretty quickly due to the residential and construction areas.
14. Ejections/leavers count as an out in batting order if no sub. Injured players will not be ruled an out similar to rule 9.
15. Games are limited to 120 minutes or seven innings, whichever occurs first. An inning is not allowed to begin once the 120 minutes is reached. If 120 minutes is not reached, but 7 innings have been played and the game is tied then additional innings can be played until 120 minutes is reached or the game is not tied after an inning, whichever occurs first.
16. A complete game occurs if five innings or more are completed or if the home team is winning and at least four and a half innings are completed.
17. Runners must slide to avoid contact. A player may also stop running and declare that they are out if they wish not to slide. If contact is made with no effort to slide the runner can be called out and can be removed from the game.
18. If you are playing on the last game of the day on your field, the home team is responsible for raking the field and filling holes around the batter's boxes and pitcher's mound.
19. A slaughter will occur if a team is ahead by 12 after 5 innings or 10 after 6 innings.
20. The semis and championship games will be played to a full seven innings regardless of time limit.

***After league rules, NFHS rules apply to all other aspects of the game.**

The Park District reserves the right to administer disciplinary action including suspension, forfeit or expulsion if in our opinion any team or individual displays inappropriate behavior.

All bats must be wood or wood composite.

Altered Bats

Altered bats are extremely prohibited. If a bat is found to be altered the individual will be ejected from the game and risk removal without refund from the league.

If 120 minutes is not reached, but 7 innings have been played and the game is tied then additional innings can be played until 120 minutes is reached or the game is not tied after an inning, whichever occurs first.

A game called by the umpire due to rain will be considered regulation if five or more complete innings have been played (4 ½ if home team is winning). If fewer innings have been completed the game will be rescheduled and start over from the top of the first inning. The score as of the last fully completed inning will be included in the new game.

Games will be rescheduled on regular game days when possible. Every effort will be made to give one week notice for rescheduled games.
