Agenda items: Corona Virus and it's effect on the fall season

1. There was a lot of discussion from the communities present this evening regarding the governor's new contact sport regulations put out on 7/7/2020. Below are bullet points of some concerns and discussions had. Nothing has been decided or is concrete at this time.
 - LCSL as well as other communities are concerned about the costs of preparing for a season and the loss of money if cancelled late.
 - Currently Ohio high school athletics have not decided on fall sports yet.
 - Concerns over school property and use of it if schools do not return or schools are not having sports
 - It was discussed if needed to limit games to 4 locations, Midview, Firelands, Oberlin and Vermilion.
 - If the season is cancelled communities need to know players will not be insured if you decide to do training or camps
 - ****CORRECTION ****Ohio Travel is planning on having a fall season.

2. It was decided that we cannot wait until the last minute to cancel the season again. The board is asking all communities have their representative present on July 22, 2020 @ 7:30 meeting to discuss. We will be deciding at the next meeting if we will go ahead with the fall season or not.
 - Due to making the decision July 22, 2020 – Team Commitments and Player Registrations are both due on August 1st if we move forward with the fall season.
