In Attendance:	Paul Grabo – President Jen Kazmierizak – Wellington / Vice President Rachel Rush – Treasurer Heidi Chambers – LCSL Registrar Dennis Palmer – Edison Chris Putzier – Lagrange Monique Ulrich – Midview Rachel Lee – Firelands Joe Billingsley – Elyria Joy – Vermilion Curtis Phillips – Vermilion Ken Phillips – Vermilion Ben Sanborn – Lorain Doug Henderson – Amherst Matt Deaton – Wellington Erica Crawford – Firelands Scott Joreski - Columbia

Update firelands teams to u7/u8 – 6 teams (going down one, Rachel R. to update fees spreadsheet)

New Business:

Up U7/U8 ref fees to \$35, so U7-U10 would be \$35 each.

Dennis – Motion – Rachel Lee – 2nd – no objection

Communities – Review rules that were emailed to you on 7/19/23 and respond with any comments, concerns or corrections needed by July 28th.

Q&A about switching to Wellington -

Firelands - asked if there will be enough space since the field area is smaller than Oberlin and here gets crowded.

Vermilion – Able to set up the fields / paint fields for the needs of the classic. Last year it appears there was a miscommunication and Matt has been communicating with the village. Wellington Soccer will paint the fields to start but Wellington Village will continue to maintain

Lorain – Room for Food Trucks – Yes – can use spot behind Pavilion

Amherst – What is the process to get permit for Food Trucks? No physical permit is required per Matt. Would need to arrange trash.

Rachel – Would they help provide porta potties or would we pay for those.

Rachel – Room for tent row?

If any communities have any further questions or concerns about switching to Wellington

When Age Specific Rules are posted and finalized, send to your coaches and also send them the updated Constitution so they can see the last two pages of the by laws which is relevant to them coaching

Coaches should post scores within 48 hours of the game.

Coaches Late Fees – Big list of coaches expiring after the deadline

Proposed ideas –

2. Extended coaches deadline to August 3rd

3. With clause that says If everything is done but is pending a background check should not have a late fee ever

4. Does Heidi need to have certain information to OSA by a certain date

Heidi has to send to OSA for approval

Once approved then passes and rosters can be printed

Changes can be made until mid season, exact date to be sent out once it's known.

Coaches no late fee until August 3rd players/coaches

After the 3rd will accrue late fees – LCSL will pay late fees for Coaches

Players – Keep original deadline of July 22nd

Motion Ben – 2nd Joseph

Amherst has new field number – Quickscores needs updated.

Wellington 3v3 – June 15, 2024

President – Paul –

Scheduler – Paul

U13-U15 – If games are on Saturday, they will need to be in the morning like 930 and 11 due to refs during through Fall HS Soccer season

Even if having to reschedule – consider Saturday mornings for U13-15. Not afternoon or later.

U11/U12 will be in the afternoon instead of the morning

U7/U8 – What morning start time – 10am

Paul would like to renumber teams to keep it simpler. Paul to update the following:

FS - Firelands

EL – Elyria

Schedule should be done no later than August 6th

Free Schedule change – August 6th through August 13th at 6pm

Will need sent to Joe by Monday

Priority schedules –

Coaches that have dual teams or conflicts will be emailed once live, so they can review right away.

Vice President – Jen Kaz

First game moved to August 23 (Wednesday)

Classic pushed back a week to October 21st

Schedule posted by August 6th.

Free Game changes will be from August 6th through August 13th at 6pm

Classic – Wellington – October 21st

Jen needs a list of what our requirements are to host the classic

2 fields for each age group

Can they get two big fields? Possibly play at the high school field.

Paul thinks if development behind fields is opened then we could park there

If additional parking is needed may do shuttle to from county.

Registrar – Heidi –

Cannot push her dates much due to full time work starting August 1.

Heidi sent out Coaches Expiration Dates to everyone.

Heidi cannot approve teams unless Heidi gets an email from Jen Fickett saying they are approved.

If list shows coach is expiring but they just did things, it probably has something to do with different email addresses used.

All teams that have been synced except Elyria

Heidi updated team status that says Update Risk for those folks that are expiring

Club players rule – 2 players on the team and 2 playing.

Any club players you are aware of needs an email to Heidi, Jen Kaz, Rachel and Paul

Heidi thinks it's important to have a required question about if the player is a club and include the club definition. Too late for fall but should do it from

OSA switching to GOTSPORT next Fall. It's an option. If LCSL does not update to GotSport they will need to upload the info from Demosphere would need to be uploaded to GotSport

Question – Will GotSport carry over any coaching requirements.

OSA feels we need a demo would be good for LCSL Board to see the changes.
