

City of New Smyrna Beach Sports Complex Draft Rules

1. The order of the draft will be determined by each Head Coach drawing a number from a hat and this will determine the order of the draft.
2. Each head coach can “freeze” their own child. If their child is considered to be in the top 5 of the players they will have to draft their child in the 1st round.
3. If the chosen players are not in the top 5 they must be drafted in the 3rd round.
4. If you wish to have a specific assistant coach & child they will have their paper work turned in prior to evaluations stating what league and who they are assisting. If they wish to coach multiple leagues it must be stated.
5. The format will be a “snake draft”. For example, for a league with 10 teams, we would draft 1-10 and then go back 10-1. This means that one coach will receive back to back picks for every round.
6. Every coach will have a maximum of 1 minute to make each pick.
7. The draft will conclude when the last player has been drafted. This may result in some teams having more/less total amounts of players.
8. If you wish to take siblings they must be taken at the same time and would be your pick for both the current round as well as the next round.
9. Any trades must be made on draft night.
10. Only the head coach can attend the draft.
