David Randolph, owner/founder of OSSA, and his staff pride themselves on reaching different athletes on their level and helping them improve, therefore giving them more confidence to be successful in "pressure" situations. Baseball is a game of skill, focus, and determination...and athletes need to be able to stay relaxed and produce in clutch situations.

Our instructors are motivating and energetic. All instructors have played at the collegiate and/or the professional level and enjoy teaching athletes. We strive to teach, not babysit. Our goal is to reach every camper at their level and build confidence and skills.
