Board Elections | Onzo Nominations | Annual Golf Outing

## *Board Elections*

It's that time of year where we elect Board members to lead our club into the future. There are four positions up for election, including Vice-President, Treasurer, Director of Marketing, and Director of Field Maintenance.

An email was sent to all members with information on the election, self-nomination deadlines, and where information is describing the duties and responsibilities of each position. Please look for that email, if you haven't seen it already, and follow the process if interested.

Once the deadline is reached, I will package all of the information for each candidate running for each position and get that out to the voting members. Voting will run from March 2nd through March 6th.

### *Onzo Award Nominations*

Coinciding with Board elections will be Onzo Award Nominations. Every year individuals are nominated by their peers for the prestigious award. We will accept nominations until March 6th so that the Board has time to evaluate each nomination, and decide upon this years winner. The award winner will be announced at the annual banquet on April 17, 2026.

Look for more information on the Onzo Award nomination in the coming days.

### *PCSSA Annual Golf Outing*

The date is Saturday March 14, 2026. The place is Tuscany Falls East Course. The time is an 8:00am shotgun start. The event this year will look and feel a bit different this year, but the golf will be the same. While details like handicaps, tee flights, and player changes are still being worked out, there are some things I can share with you. First, we will be changing the caterer for this years event. For a years the Freedom Firetuck has provided lunch after our round, but this year we decided to try a different path and contracted with a caterer to provide street taco's and sides for our post round lunch.

The next change comes from the golf course itself. The golf course is no longer allowing tent, or drink stations ON the course. We asked for the ability to have drink carts working through the course, but again were shot down. We are currently working to identify members of the softball community who live on the East golf course, and evaluate the potential to use patio space for our libations. We hope to provide the same fun atmosphere as in past years, however different it might look.

Rich Christiansen is heading this years events, and is working diligently to do the heavy lifting in setting this years event up. Thankfully he has the support of previous chairmen Rob Hernandez and Wade Biddix to rely on to make it the best event yet. Marie Shubin and Nancy Mickelson are organizing the food and beverages for the event this year. Together they are sure to present an event that supersedes expectation.
