

Frank Onzo Sportsmanship Award 2005-2006 Season

In recognition of Frank Onzo, a former PebbleCreek Senior Softball Player, an award has been established to honor him and remember his total dedication to the PCSSA. This award will be presented to one individual who demonstrates the qualities of friendship, sportsmanship and care for the well being of fellow members of the PCSSA, much like Frank did during his tenure. Frank was always open minded in his thoughts and he displayed a charisma that made every individual he came in contact with feel good about their personal association with the PCSSA. The individual selected for this award must reflect Frank's qualities.

The selection of the recipient of this award will be made by the Board of Directors based upon nominations presented by each team through their respective coach or designated representative. Nominations must be in writing and must outline the reasoning why that particular individual should be recognized. Each nominee must be currently active in the PCSSA and must have been active in PebbleCreek softball for the last three seasons. The criteria for nomination might give consideration to the additional following areas of contribution:

- Team Management
- Board Membership
- Serving on committees for various administrative functions for the league
- Field Maintenance/Preparation throughout the year
- Leadership qualities on and off the field
- Total development of the league
- Volunteer work
- One who can always be depended upon to make a difference

The above criteria are only suggestions for consideration. All nominees will be given a complete evaluation based upon the write-up he or she receives, while keeping in mind that individual's contribution to the league. Promoting sportsmanship, friendship, and a level of dedication to PebbleCreek softball is paramount.

After a review of all write-ups the Board will announce the winner at the end of year social activity for the league.
