

HOME TEAM Game Day Responsibilities

First game of the day

Open equipment garage, if first to arrive

Place AED and First Aid Kit at the Home team bleacher area. Ensure the AED blinking green light is on

Place Home team game bats and practice balls in the player area

Place bat warmers if needed

**** National League ONLY ****

Set up pitcher's screen

(remove screen from Warmup area and place on pitcher's mound)

Last game of the day

Return AED and First Aid Kit to equipment garage at bottom of shelves to left of refrigerator (it is marked)

Bag Home team bats, and put in closet in the equipment garage

Place practice balls in the equipment garage. Lean bat warmers (if used) against the right side of the ramp of the equipment garage

**** National League ONLY ****

Return pitcher's screen to the Warmup area

Clean all garbage from the Home player bench area, stands, and tables/pavers

Restock water in fridge

Ensure everything is put away in warm-up and batting net area

Ensure that closet inside equipment garage is locked after Home and Visitor game day bats and scoreboard equipment are in the closet

Close equipment garage door if last to leave

NOTE – Failure by a team to complete the tasks as listed will be addressed by the Board and may result in action being taken against that team.

Effective September 28, 2023

VISITOR TEAM Game Day Responsibilities

First game of the day

Open equipment garage, unlock crow's nest and outside walk-through gate on 1B side

Place 3 rakes and 3 field brooms against fence on visitor side for use in grooming the field between games

Place Visitor team game bats and practice balls in the player area

Place bat warmers if needed

All games of the day, including last game

After your game, rake and broom (i.e. groom) the infield

Last game of the day

Bag Visitor team bats, and put in closet in the equipment garage

Place practice balls in the equipment garage. Lean bat warmers (if used) against the right side of the ramp of the equipment garage

Return rakes to equipment garage – hang on left wall.

Lock stairway to crow's nest and lock visitors outside walk-through gate

Broom the infield

Place brooms back on hooks in front of equipment garage and lock them to the bike stand

Clean all garbage from the visitor player bench area and stands

Ensure that closet inside equipment garage is locked after Home and Visitor game day bats and scoreboard equipment are in the closet

Close equipment garage door if last to leave

NOTE – Failure by a team to complete the tasks as listed will be addressed by the Board and may result in action being taken against that team.

Effective April 06, 2023
