

TEAM Game Day Responsibilities

HOME TEAM

First game of the day

Open shed, if first to arrive

Place AED and First Aid Kit at the Home team bleacher area. Ensure the AED blinking green light is on

Place Home team game bats, practice balls and sanitizer bottles in the player area

Place bat warmers if needed

Last game of the day

Return AED and First Aid Kit to equipment garage at bottom of shelves to left of refrigerator (it is marked)

Bag Home team bats, and put in closet in the equipment garage

Place balls, sanitizer bottle and bat warmers, if used, in the equipment garage

Clean all garbage from the Home player bench area, stands, and tables/pavers

Restock water in fridge

Ensure everything is put away in warm-up and batting net area

Ensure that closet inside equipment garage is locked after Home and Visitor game day bats and scoreboard equipment are in the closet

Close garage door if last to leave

NOTE – There will be consequences for not following the above procedures, up to and including loss of scheduled practices.

Effective October 22, 2022

TEAM Game Day Responsibilities

VISITOR TEAM

First game of the day

Open shed, unlock crow's nest and outside walk through gate on 1B side

Place rakes and field brooms against front doors of side shed on visitor side for use in grooming the field between games

Place bat warmers if needed

All games of the day, including last game

After your game, rake and broom (i.e. groom) the infield

Last game of the day

Bag Visitor team bats, and put in closet in the equipment garage

Place balls, sanitizer bottle, and bat warmer if used, back in the garage

Return rakes and spray bottles to garage

Lock stairway to crows nest and visitors outside walk through gate

Broom the infield

Place brooms back on hooks in front of garage and lock them to the bike stand

Clean all garbage from the visitor player bench area and stands

Ensure that closet inside equipment garage is locked after Home and Visitor game day bats and scoreboard equipment are in the closet

Close garage door if last to leave

NOTE – There will be consequences for not following the above procedures, up to and including loss of scheduled practices.
