

Fall Soccer Team Registration Form

Those who would like to register as a team MUST PROVIDE A COACH. To avoid confusion, coaches who want to create a team are required to fill out this team roster form. This form will help us ensure the placement of the correct players on your team. Max per team varies league to league. Max numbers CANNOT be exceeded. Players who are listed on your team roster will be placed on your team ONLY if they register BEFORE the program deadline. Those who are listed on your roster, but miss the deadline will NOT be guaranteed a spot on your team. Head coaches are required to pass a background check.

*Please understand that if your players are not registered before the deadline on June 30th, they are not guaranteed a spot on your team. The amount of players we have signed up by the deadline date will determine how many late registrations we will accept. This number varies. If you submit a roster that is not completely full, we will place additional players to your team or combine teams if necessary. Changes to your roster can be made up until the registration deadline. In the event that more team forms are submitted than number of teams anticipated for the league the recreation staff will refer to the league policies when determining the head coach for each team.

Players may register individually online at www.activityreg.com, or in person at the PG Recreation Center.

Thank you for volunteering this year! We really appreciate it!
