

Robson Ranch Softball Association (RRSA)

Founded in 2012

The Robson Ranch Softball Association (RRSA), a registered 501(c)(3) nonprofit organization (EIN 80-0540669), is a thriving, volunteer-driven organization that enriches life within the Robson Ranch senior community through the sport of softball. With more than 200 active members—including players, umpires, field crew, announcers, scorekeepers, and board and committee volunteers—the RRSA fosters fellowship, healthy competition, and active lifestyles. Every aspect of the organization is made possible through the time, talent, and commitment of its dedicated volunteers.

Games are played at the Field of Dreams in the Spring and Fall each year. Co-Ed league plays Monday through Friday in the evening while the Senior league plays Wednesday morning. Team practices are scheduled on either a Saturday or Sunday.

We also have age restricted teams that play locally against other communities and tournament teams that also compete regional and nationally.

RRSA recognizes the Senior Softball USA (SSUSA) Rulebook and the official rules governing play. The rules are supplemented with RRSA Rules of Play.

Mission

The mission of the RRSA is to encourage all Robson Ranch residents to participate in a fun environment, with sportsmanship and safety being a high priority.

Honoring Service

We proudly recognize and honor veterans and first responders within our community, celebrating their contributions both on and off the field.
