

Robson Ballers,

Instead of Baseball, Hot Dogs and Chevrolet, we had ...

Softball, Hot Dogs, and John Anderson's 1960-s Ford Falcon (convertible).

And **Jay Wissink** was at Our Field of Dreams once more to provide this game report for you:

CORPLE CORRAL vs. EAGLE EYE CARE

May 17

The second to last game of the regular season for the senior league! Sunshine, 70 degree weather, light breeze, and HOTDOGS! There couldn't have been a better setting for the game matching Dale Hill's Corple Corral team vs. Jeff Duncan's "BIG RED MACHINE" Eagle Eye Care.

What a surprise! It turned out to be the lowest scoring game played in Robson this season. Outstanding pitching by George Wendt and Paul Vargo along with excellent fielding by both teams kept runners from advancing and scoring.

1st - 3rd innings

Corple opened up by scoring 2 runs in the first with Rocky Dudley hitting a shot to left field to drive in Mike Conley and Gary Wiesner. Then in the 3rd, Mike C. and Gary W. again scored on a David Mckie 2 RBI single. For Eagle only 1 RUN in the first 3 innings. WOW, remember this the "BIG RED MACHINE". Only Clyde Ziegler scored on a single by George Wendt.

UPSET IN THE MAKING ???

CORPLE CORRAL - 4

EAGLE EYE CARE - 1

4th - 5th innings

Alas, Eagle bats came alive in the 4th with 8 singles scoring 5 runs. George K., Clyde Z., Jackie F., Steve W., and George W. all crossed the plate, with Kelly P., Henry M., and Bob K., also getting hits. Also, Eagle pushed across another run in the 5th, with Dianna D. scoring on a Scotty Wilson double. It was a different story for Corple as they were not able to score.

CORPLE CORRAL - 4

EAGLE EYE CARE - 7

6th inning (Buffett)

Corple came up needing 3 to tie, and with a single by tripleheader today Ramiro singling, and Mike C. hammering out a double, and you got the sense they were here to play. David Mckie

stepped in and had his 3rd hit of the game, driving in Ramiro and Mike. MAYBE? Unfortunately, that was it. Game over and on to the hotdogs!

FINAL SCORE

EAGLE EYE CARE - 7

CORPLE CORRAL - 6

A nail-biter to the end!!!
