

## **Mr. Softball, Robson Ranch 2018**

### **Bob Laderach**

Robson Ranch thrives on volunteers and leaders. None so apparent as Bob Laderach, Mr. Softball, Robson Ranch for 2018.

Bob has been in the league since the summer of 2016 and continues to find new ways to contribute to the betterment of softball at RR. Generally, you see Bob in the outfield, but always you see Bob supporting his teammates in practice, in the dugout and on and off the field.

Bob is well known throughout the league for leading Wednesday morning batting practices. Any wonder why he batted 21 for 21, 1.000, leading the league this year in batting averages. Bob also volunteered his time to umpire league games and coordinated Saturday morning pick-up games.

Bob was one of the keys to the successful run of the Robson Ranch 65AA Texans in senior softball tournament play. Bob has sure hands, an amazing work rate and focused play that led to his selection as one of 5 Robson Ranchers who were selected as Texas 2018 All State players for 65AA Softball.

Thank you and congratulations to Mr. Softball, Robson Ranch 2018, Bob Laderach!
