Game times will vary from week-to-week and will be spread out as evenly as possible across all teams throughout the season, so you don't have all early games or all late games.

Rosters: We will be using the online roster system through our Quickscores website at www.quickscores.com/sportsoffice. Information on how to register as a manager and create your roster is located on the adult softball league tab on the website. You will be able to input your roster one week prior to your first game once your schedule is posted. **All team managers will need to hit the print waiver button and bring it to the first league game. All team members will need to sign the printed waiver form before playing in any game.** For any additions or emergency adds after the first week contact your league supervisor.

Uniforms: Each team must wear uniforms. All uniforms must have at least a 6-inch number on the back in a contrasting color to the shirt. Identical numbers are not allowed. **Teams must also meet 1 of these 2 requirements: 1) Uniforms will be the same color or 2) Uniforms may be a different color but must have the team logo on the front.** The deadline for having uniforms is by your team's 4th game.

Equipment: Salt Lake County will provide two new game balls for each game (both coed and men's leagues will use a 12" ball and women's leagues will use an 11" ball). Each team is in-charge of retrieving foul balls and home run balls and/or providing extra game balls in the case of a lost ball. **Bats must be 1.20 or less B.P.F. for USSSA., USA, NSA, etc. Bats must have the USSSA, ASA, USA or NSA stamp on its taper or be a wood bat.** Cleats, if worn, must be plastic (no metal spikes).

Rainouts: After 4 PM on gameday, please visit the Adult Softball Leagues page at www.quickscores.com/sportsoffice to see if games will be played. Rain outs/cancelled games will be rescheduled on the next available Friday/Saturday or on same night later in the season, time permitting.
