

EXECUTIVE CHALLENGE

Attend events. Earn points. Support your teams.

1. Each company must put together a roster of up to 6 *executives*. Executive is defined as: the boss, the one who makes the decisions, or the one who has the power to fire someone. Titles can include President, Vice President, Manager, Regional Manager, Director, Associate Director, Regional Director, CEO, CFO, COO, etc.
2. This roster will lock, and absolutely no changes will be allowed after 5:00pm on July 26th.
3. One executive will show up to a designated event and **must sign the ROSTER with accompanying ID** (Driver's License) at the check-in table in order to receive the pin and claim points towards the Corporate Cup.
4. Companies may receive one pin and ½ point *per Cup Event and Bonus Event*. You may *not* receive extra pins or points for attending the same event on multiple nights. For instance, Co-ed Soccer is played on several nights during the Games. Each company is allowed only one pin and ½ point for signing in at the soccer event.
5. There are 37 total events for 37 possible pins and 18.5 possible points. Points will be tallied and applied towards the Cup based on signatures received. So, do not forget to sign the roster when you arrive at an event!
