CODE OF ETHICS

I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.

I will place the emotional and physical well-being of my child ahead of a personal desire to win.

I will support the implementation of the YMCAs 4-character development values, caring, honesty, respect and responsibility.

I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.

I will refrain from yelling or making negative comments to the coaches, officials, other parents, and other children.

I will remember that the game is for youth – not for adults.

I will do the very best to make the youth sports experience fun for my child.

I will teach my child to treat other players, coaches, fans, officials with respect regardless of race, sex, creed, or ability.

DON'T BE THAT PARENT
