Members present Lance Horning-Monroe, Jeff Douglas-South Albany, Pat O;Malley Santiam Christian, Marie Gaskey-Sweet Home, Lloyd & Micky Valentine-Mahama Ball Park, Karen Torres-North Salem, Kendra Robers-Monroe, Dean Allen-McNary, Dani Eversull-Central Linn, Meagan Semanski-Jefferson, Ali Hassoun-Sprague, Matt Holiday-Central, Scott Lebengood-West Albany, Jake Shell and John Hicks-Corvallis HS, Jake Postlewait and Kyle Langeliers-Newport, Jessica Hubert-West Albany, Brian Mills, Rob Kimble-Marist, Steve Royall-Lebanon.

District Commissioners Report: The ROTB is 3/17/19 at the North Marion Middle School. There will be door prizes and raffle items. Host sites are needed for the State tournaments, if you are interested download the applications on the State Website. The tournaments this year will be three days only, Friday, Saturday and Sunday. There is an opening for a "At Large" State Commissioner if anyone is interested.

All rosters are due by April 7th., complete with the waivers. The scheduling meetings will be held on the 10th and 11th of April. Jay Faxon will be working this year to help with the district tournaments. Anyone interested in hosting district tournaments this year please talk to Jay.

All paperwork is due now. This includes your application, code of conduct-signed by league representative, insurance and \$100.00 Association fee. This paperwork has to be into the State no later than 4/1/19 or the associations will be fined \$50.00 per week by the State, and time is needed to get it into the state dropbox

and approved. So do not wait until the last minute. Insurance certificates that renew after 4/1/19 need to be to Darleen no later than 1 week before they expire, to allow time to get them in the State Dropbox and approved.

Initial matrix counts are needed before the next meeting. Please get those e-mail to Darleen@lesandbobs.com ASAP.

Correction was made to the annual schedule, the team fees are \$70.00 this year and going up to \$80.00 next year.

Coach's meeting time and location is TBA. It will be on a Sunday in April. Hopefully, April 7th. Coach's are required to attend. There will be a training by the PCA. There will also be a Web Site training by Brian Mills. The groups will breakup for special training and rules.

Umpires—Josh with the Corvallis Umpire Association will make an effort to cover more JBO games this year. Minors, Junior National and American levels will have at least 1 umpire and Junior Federal and Seniors will have at least two umpires.

Team Movement Rules explained. An Association may apply to change their matrix classification. You fill out the application on the website and get approval from the district. Once the district approves it is passed on to the State for approval. The Association can then play by the new matrix for 2 years. If approved, these teams are eligible for post season play.

If an Association is unwilling or unable to play by the matrix then those teams that waiver down are not eligible for post season play. An Association can always play above the matrix, and those teams are eligible for post season.

Meeting was adjourned.
