FALL 2020 VOLLEYBALL

- Early Registration: Ends Aug. 2
- Late Registration: Ends Aug. 9
- Virtual Coaches Meeting: Aug. 13
- Practices: Begin week of Aug. 31
- Games: Begin week of Sept. 12

Teams should use the following guidelines for off-site practices, games and events.

- Participants and guests may be required to wear a face mask or covering due to city ordinances. If not required by the city, the YMCA strongly encourages the use of a face mask or covering.
- No one should attend practice or a game if not feeling well, has a fever, currently under a quarantine or has been in contact with someone with COVID-19 in the last 14 days. Personal health and safety are the responsibility of all players, volunteers and spectators.
- If a positive COVID-19 test is reported to the YMCA, teams impacted will be notified, while keeping the individual's identity confidential.
- Travel to other YMCA locations may be required for games.
- Game start times will be scheduled for 60 mins or 75 mins depending on locations. Please do not arrive or enter the facility more than 10 minutes prior to game time. This will allow teams and spectators to exit and Y staff to clean. When possible, branches will use a communication method to alert teams the gym is ready to enter.
- Gym capacity will vary per location. We encourage only one spectator, with a maximum of two spectators per participant, when possible for indoor sports. This is subject to change based on official recommendations.
- Limited seating will be available in the gyms. We ask spectators to practice social distancing and to save seats for those individuals needing to sit instead of standing.
- If locations allow, there will be specific entrance and exit locations.
- During the pregame YMCA Pledge, players will spread out across the court to allow for social distancing.
- Players are encouraged to bring their own hand sanitizer and use during breaks and end of game/practice.
- Players should not share water bottles and drink containers.
- Gum will not be allowed.

FALL 2020 VOLLEYBALL

- A limited number of volleyballs will be provided & cleaned at each location. Individual players are discouraged from bringing their personal volleyball to games/practices.
- YMCA provided volleyballs will be cleaned after each game/practice by Y Staff.
- Avoid having large group team meetings before, during or after the game. When meeting, practice social distancing.
- After the game, there will not be any handshakes, congratulation lines or parent tunnels. We encourage teams to be creative with fun ways to say “good game”.
- Post-Game snacks/drinks will be optional for the Fall League. Items must be individually wrapped or factory pre-packaged. Any unpackaged or shared team food is not permitted at this time.
- Uniforms should be washed as soon as possible after the game.
- For locations with concession stands, order lines will be marked for social distancing. Electronic payment is encouraged when possible.
- Facility restrooms will follow YMCA disinfection protocol on game day.
- For locations with gate fees, we encourage purchasing gate passes online. Gate fees are only associated with tournaments and not YMCA League Play. Specific details on passes will be communicated with tournament teams.
- To ensure participant health and safety, as well as enjoyment of our facilities and programs, we will continue to review and update these guidelines regularly to remain in line with federal, state and local guidelines. Please visit our website for up to date information.
