

SOCCER ALLIES

WHAT IS SOCCER ALLIES?

Soccer Allies offers both camps and weekly clinics to players. Our exciting 10 level curriculum teaches players how to use different skills based on the positioning of the defender and where the player is on the field. This will help players in **UNDERSTANDING** when to perform a skill and why it works.

PURPOSE/MISSION

Getting Kids excited about playing soccer and keeping them in the game longer

COME CHECK US OUT!
